

What you're Saying!

IF?

If only I could be a lucky girl and somehow meet Danny Bonaduce, I would be the most happy, luckiest girl, in all the world. Boy! That girl who won the smile contest really was lucky and I hope she knows how lucky she was and still is. I hope something good will happen to me and perhaps someday I will meet my DANNY. But till then I'll have to keep saying IF.

Dear Sharon,

A few of my friends tell me the Partridge Family has a fourth album! I am telling them they only have three. When I got my 3rd album, I looked all over the stores for a 4th, but couldn't find it. Who's right?

Dear Sally,

Looks like your friends are right. The Partridge Family has a Christmas

album out called A Partridge Family Christmas Card. A 5th album will be out shortly, but as yet we have no details on it.

REALLY MAD

In the November issue of the Partridge Family Magazine, I read that a girl by the name of Alice Krassner thought that the Partridge Family didn't get along off camera. Well they do and if she doesn't believe it she can ask the girl that won the smile contest. I was really mad when she said "including David Cassidy," because I LOVE HIM!

I LOVED IT!

After seeing David Cassidy at one of his concerts, I FLIPPED! I had to go way out of New York, but it sure was worth it!!! I thought it was such a good concert and I loved every minute of it. If David should do a concert in New York sometime, you can bet that I will be there.

CAN YOU BELIEVE IT?

I watch the Partridge Family every week and I like everybody on it except David Cassidy. I don't like the way he acts and his hair is so long. My friend Brian Tucker doesn't like him either. Please answer this question. Is David Cassidy as nice as people say he is?

David Siesko

Dear David,

David's even nicer than people say!!

JUST WONDERFUL

I am glad to announce I had the privilege to watch the Glen Campbell show on the 26th of October starring DAVID CASSIDY. He was just wonderful! David is a true actor and has a lot of talent and I know he will climb to the very top step of the ladder of success, if not higher. He deserves it because judging from his performance, he really works hard. Keep up the excellent work.
