

WHERE ARE THE

PARTRIDGES?

IF YOU CAN FIND THEM YOU HAVE A CHANCE TO WIN \$5.00 AND A PERSONALLY AUTOGRAPHED PICTURE FROM THE PARTRIDGE STAR OF YOUR CHOICE!

That's right! You can find the Partridges in our brand new game just for Official Partridge Magazine readers! It's easy to do—here's how!

David Cassidy decided to take a weekend vacation and get in some mountain climbing! He thought he'd have the whole mountain to himself—but he's *wrong*, he's not alone!

He's got company! 6 little partridge birds decided to go along! But, although David can hear them fluttering their wings—he just can't seem to find them!

Now, here's where you can help David and win \$5.00 and a personally autographed photograph, too!

In the picture to the right, 6 partridge birds (they look like the one at the bottom of this page but are of varying sizes) are hiding!

Study the picture carefully! The birds could be hiding in, on or around anything in the picture! When you find each partridge bird—trace around it, or circle it with a bright colored pen or crayon! Some of them are

very tiny! Remember! *To win you must find and circle all 6 birds!*

Then follow these 3 simple steps: 1. Fill out the coupon at the bottom of page 47 with your name and address 2. Write the name of the Partridge star you'd like to win an autographed picture from on the line provided in the coupon 3. Mail the entire contest page to: Find the Partridges, Partridge Family Magazine, 7060 Hollywood Blvd., #800, Hollywood, California 90028.

The first 20 correct entries win and all winners will be announced in April issue, which goes on sale March 7!
