

DAVID'S OWN PERSONAL PHOTO ALBUM

PART THREE

"HI THERE—it's me again, David C.—back with Part Three of my own Personal Photo Album!"

Yep, if you're a David Cassidy lover and a 16 regular, you know that in the April issue of 16 the words to David's beautiful long-playing Bell Records album David Cassidy—Cherish were printed instead of Part Three of David's Own Personal Photo Album. But now the time has come again to join David in his happy childhood, share his favorite pix of himself—and listen to his memories!!

A tiny (he was just four years old), scared-looking David attends a grown-up party with his relatives in West Orange, New Jersey. The beautiful woman standing in the center is David's mom—actress-singer Evelyn Ward.
