

Those happy days we spent together—
 Can you forget them over-night?
 This was supposed to last forever,
 But everything's slippin' out of
 sight.
 I used to get to you
 Until you'd shake inside.
 But you ain't satisfied, whoa, no.

IT'S ALL IN YOUR MIND

You can be what you feel,
 Life is a ferris wheel—
 Come take a ride!
 It's on the inside where you'll find—
 It's all in your mind!
 (Listen, listen)
 You take a friend of mine,
 He was sad all the time—
 Baby, that's no lie—
 Till he opened his mind and it
 helped him to find—
 It's all in your mind,
 It's all in your mind,
 It's all in your mind!
 (listen, listen)

It doesn't matter at all
 Who you are, for what you need.
 Just take a look inside,
 I'm sure you will find it's there
 in your mind.
 Baby, it's all in your mind,
 Baby, it's all in your mind.

Who needs money in a land of milk
 and honey?
 I'll tell you one more time—
 Baby, it's all in your mind,
 (listen, listen).

You can be what you feel,
 Life is a fishing reel—
 It's up or down—
 What you feel all around!
 And baby, you find—it's all in
 your mind,
 It's all in your mind!

SIDE TWO

HELLO, HELLO

Hello, hello—
 I love you so!
 Yet it all began when I ran into
 you
 Not so long ago.
 And since that day,
 I've wanted to say hello—oh,
 oh!
 Hello, would you like to go to a
 place with me?
 Where we can watch the hours go by?

You're sure someone I'd like to get
 to know—oh, oh!

(CHORUS)
 I still don't know your name,
 And I couldn't care less!
 I like what I already see!
 Whatever sign you are or what's
 your address—
 Don't really matter much to me.
 Just wanna say hello, hello—
 I love you so!
 Yet it all began when I ran into
 you
 Not so long ago.
 And since that day,
 I've wanted to say hello—oh, oh!

Da da da da da hello, hello!
 Hello, da da da, hello, da da!

THERE'LL COME A TIME

There'll come a time—
 Why, I know—you might see me after
 a show,
 And maybe there'll be no one else around.
 Just take a good look at me
 If you forget just who I might be,
 Don't be surprised if someone real
 is found.

(CHORUS)
 You know, I got feelin's just like
 you.
 When I get lonely, I cry too.
 Can't you see I'm not a circus
 clown?
 Well, if you think you like what
 you see—
 How about coming along with me?
 Take a chance on someone who's been
 down.

Don't let me walk by alone,
 Cos I'd have stopped if I had known—
 You'd care to know who I was inside.

IF YOU EVER GO

If you ever put me down,
 I would fall right through the
 ground.
 Couldn't make it on my own,
 Couldn't stay here all alone.

(CHORUS)
 And there would be no sun,
 And there would be no one to run
 to.
 If you ever go,
 Honey, you'll never know
 What it would do to me.
 The hurt would be so new to me.
 If you could ever believe—
 The love I got up my sleeve,
 Then you would never go,
 Honey, don't ever go.

If you ever said goodbye,

I would want so much to die.
 And the world would look so grey,
 Couldn't face another day.

 AND FADE TO END)

LAST NIGHT

Last night I couldn't fall asleep
 Because I wanted to keep on thinking
 of you.
 Last night I was flyin' high,
 I was happy, I was happy.
 Last night you told me something
 That I won't forget—if I should
 live forever!
 Last night you said you loved me,
 And it gave me fever
 And I thought it over—
 Baby, my baby.

(CHORUS)
 When you are there
 I'm aware that I must be dreaming.
 When you are near,
 I can hear my body screaming
 Never let me go, honey.
 Never let me go, baby.

(REPEAT ENTIRE SONG)

Never let me go,
 Never, ever, ever, let me go.
