

A DAY WITH GRAY

We're a couple of Michael Gray fans and thought it would be fun to write and tell you about the day we spent with Michael Gray! Now keep in mind that we're not professional writers or anything—we're just a couple of 13-year-olds! But anyway, a few of us girls were invited to listen to some recordings of Michael's to help him determine which might be possible hits. (And we can tell you already to be listening for "Walking in the Sunshine"—it's great!) Well, we were overwhelmed when Michael walked into the room to join us, and couldn't believe it when he treated us all to lunch! Everybody wanted to sit next to Michael, but unfortunately, only two people could! It was fun though, and when we were finished one of the girls took Michael's half-eaten hamburger home with her as a souvenir, and she's keeping it frozen in her refrigerator! All in all, I'm sure it's a day none of us will ever forget!

BEST CLUB YET

I just received my David Cassidy fan club kit and I must say I'm delighted that I sent away for it! David's calendar is a very good way to start off the year, as well as all the other groovy things that are included in the kit. I think that all other fans of David's should join. They'll be in for many surprises!

RIGHT YOU ARE! AND IF YOU KNOW OF ANY FANS OF DAVID'S WHO HAVE NOT JOINED YET, BE SURE TO HAVE THEM DO SO NOW! SEE PAGE 23 FOR MORE INFORMATION!

MOST WONDERFUL GUY

A few months back I was very fortunate to go backstage after one of Bobby Sherman's concerts and get to meet him. He was so sweet, and when I gave him the award I had made he said "Wow, this is really groovy!" I was so thrilled that I just had to tell you he is the nicest person I've ever met!

QUICKLY MELTING AWAY

I was just looking through the February edition of FaVE when I came across that beautiful picture of David Cassidy that said "I love you because..." I almost fell off my chair! Those eyes of his are making me melt!!

MORE ON MERRILL

I think that Merrill Osmond is the greatest person alive! The first time I saw him I nearly fell out of my seat! He just looks like the kind of person who would do anything for anybody. Please print more on him!

BEAUTIFUL FAMILY

When the Osmonds appeared in Greensboro, North Carolina I was lucky enough to meet them before their show and get to talk with them the following morning. To me they're the most wonderful people I've ever met and words just can't describe them adequately! Here's a picture that was taken of me and Donny that I hope you will print in FaVE. Keep up the good work, and keep those pictures and stories coming on the Osmonds!

I'LL BE THERE

I went to the Jackson Five concert in Philadelphia and the group was just dynamic. Jermaine just blew my mind when our eyes met as he sang "I Found That Girl." I tried to meet the group backstage after the show, but I failed. However, at their next concert you can believe "I'll Be There," and I'll try my hardest to meet them! Jermaine, if you're reading this, please be looking for me because I'm going to be looking for you!

WILD IS WILD!

I just love Jack Wild's albums! I got them from my pen pal Susan Sexton because I wasn't able to locate them here in Canada. I've "died" so many months waiting for them, and they're all I expected them to be! Susan was really great to send them, and Jack is just wonderful for recording them! Wake up all you girls out there and start listening to Jack! He's got all that it takes!
