

51. You like watching old movies on television then quizzing each other about them.
52. Popcorn and unsalted nuts are your favorites!
53. Boots or sandals are the styles for your feet.
54. For jewelry, you only pick pieces that catch your eye and remind you of special memories.
55. Celery and cream cheese is a snack you love to fix your friends.
56. An old-fashioned Saturday night taffy pull is just the idea you would come up with.
57. He loves the way you hold his hand—with the fingers intertwined.
58. You go all out for any holidays—with decorations, food, and crazy little notes to remind others of what's going on!
59. You don't like going into pet shops otherwise you'd take all those cute, little animals home.
60. He thinks it's great the way you call him up after he's taken you home from your date to make sure he got home okay.
61. You have a special code for the phone to let him know you're coming over.
62. You talk to your house plants because you know they're listening to your words of love.
63. You never make fun of another person's beliefs.
64. You eat baby food and don't care if anyone knows it!
65. You like to give gifts of nature—a polished rock with the date on it; an especially beautiful bouquet of autumn leaves.
66. Science fiction novels are one of your secret faves!
67. Keeping up with current events is a responsibility as far as you're concerned.
68. You read poetry—silently and aloud—whether or not it's cool to others, it is for you!
69. You love freshly squeezed orange juice for breakfast.
70. You've stopped biting your nails!
71. Going to a nearby playground just to watch small children playing!
72. Mountain climbing and a good, long hike puts a sweet glow on your face and pink in your cheeks!
73. You know how to make homemade noodles.
74. You try to be the kind of friend you'd want to have.
75. Your childhood habit of twisting a strand of hair around your fingers.

76. The way your face wears a slight frown when you're concentrating hard!
77. You're a movie buff and love to play trivia about movie stars.
78. You wait for explanations rather than make hasty judgements.
79. When you say "hi!" you do it with a smile.
80. You never leave a person you love while you're both angry.
81. Crisp, green salads are your favorite dishes.
82. You make a point of starting each day with a good thought.
83. And you try to end each day with an even nicer one!
84. You know how much it means for someone to care so you wish others "a nice day!"
85. When someone who's depressed comes to you, you don't get buried under. You become the good friend you are and snap them out of it.
86. You carry pictures of those you love wherever you go.
87. Brushing your teeth takes a good five minutes with you—and he can tell by your dazzling smile!
88. You look him straight in the eyes and whisper "I love you" as you brush a strand of hair off his face.
89. Though you might get impatient, you let him open doors for you because you know he likes it!
90. You own a variety of colored stationery to match the mood of your message.
91. You only chew half a stick of gum at a time—the other half is for him!
92. When someone you love picks up smoking, you won't say anything openly but make small hints about health, and loving, and caring.
93. Your funny little habit of leaning towards someone when you're especially interested in what he's saying.
94. If your hair isn't free, it's tied up with a colorful piece of leather.
95. You refuse to buy anything made of animal skins.
96. You whisper words during velvet moments so only he can hear.
97. You like working with your hands and tools—you've even varnished a desk by yourself!
98. You weave a crown of fresh flowers to wear in your hair on a spring day.
99. Anything creative—painting, drawing, sketching, writing—is something you're always willing to try.
100. You never forget that the minute that's now is the most important.
