

# "IS IT TRUE?"

SEND YOUR QUESTIONS TO: DEAR CAROL, FLIP MAGAZINE, 405 PARK AVENUE, NEW YORK, N.Y. 10022

**Q. Could you tell me if Donny Osmond is right or left handed?** D.H.—Ocoac, Fla.

A. He's right handed.

**Q. Is it true that Rob Grill almost died because of drugs? It's been rumored all over our school.** J.B.—Sloatsburg, N.Y.

A. No, it's not true.

**Q. I was wondering if Tige Andrews attended Michael Cole's wedding.** I.K.—Stanford, Conn.

A. Yes, Tige was there with his wife, Norma, and his mother-in-law.

**Q. My girlfriend says Alan Osmond is engaged to be married. Is he?** K.W.—Lancaster, Tex.

A. No. Alan's still very available.

Alan Osmond

Susan Dey

**Q. Would you please give me Susan Dey's address. I've been dying to write to her.** R.G.—Rochester, N.Y.

A. Well, don't die! You can write to her at 6311 Yucca St., Hollywood, Calif. 90028.

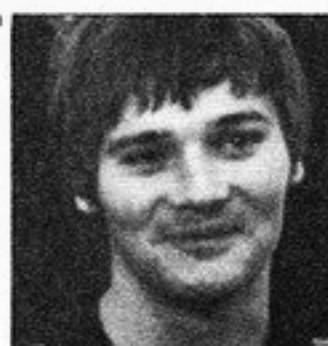

**Q. I heard Mark Lindsay died of an overdose of drugs. Could you tell me if this is true?** C.R.—Htgn., Ind.

A. No, Mark broke his foot, had a throat infection and came down with bronchial pneumonia, but he didn't die of anything, particularly drugs.

**Q. I heard that Chad Everett had a record out. Could you tell me what label it's on?** D.G.—Rochester, N.Y.

A. Chad has an album out titled "All Strung Out" and it's on Marina Records, which is part of MGM Records.

Creed Bratton

**Q. In your February issue Donny said that he really liked Michael Jackson when he got to meet him, but he also said "I was surprised—they're just like us, just real people." Didn't Donny expect the Jacksons to be real people? Why did he express "surprise" at their being "real" people? I was very upset at that statement.** V.P.—Atlanta, Ga.

A. Donny didn't mean anything bad by the statement. It's just that Donny doesn't really consider himself a star and, just like other people, he sometimes gets excited at meeting other "stars." He kind of expected the Jacksons to somehow be different just because they are stars. He was pleasantly surprised to find they are all just people, just like himself.

**Q. My girlfriend says that Rick Ely is married. Is it true?** C.C.—Bergheim, Tex.

A. No, Rick is not currently married. He was married once when he was younger, but he's now divorced—and he has a daughter by that marriage.

**Q. In your January issue you said that one of the Osmonds was married. I want to know which one?** C.H.C.—Bedford, Vir.

A. Well, that's changed a bit—now two of the Osmonds are married. But don't panic, none of the *performing* Osmonds are married. Both of their older brothers, Virl and Tommy, are married.

**Q. I have a record by the Grassroots and it lists the members as Rob, Rick, Warren and Creed. Who's this Creed character and what happened to Dennis? Also, can you tell me who's married in the group?** K.R.—Waterford, N.Y.

A. Wow! That's an old Grassroots record you have. Creed Bratton was an original member of the group but he left sometime ago and was replaced by Dennis Provisor. Only Warren and Rob are married.
