

EDITOR'S INSIDE STORY!

by Sharon Lee

Hello! Guess what we've got for you? Another groovy contest! This month, you've got a chance to win **David Cassidy's** bicycle! That's right, it's the very bicycle Screen Gems Studios gave **David Cassidy** to ride around Columbia Ranch on!

You've probably seen it before in pictures we've printed and it's even got **David's** name on it! It's a super easy contest and anybody can win!

Just turn to page 4, follow the 3 simple steps and mail your entry to the address on the contest page! If you're the lucky winner, the bicycle will be shipped to you free of charge! Wow, just think, you can ride and own **David's** bicycle!

And don't forget this is your last chance to enter our Fly to Hollywood and Kiss David contest! Details are on page 22!

I'm just on pins and needles waiting for the **Partridges** to begin filming again next month! Shooting for the 3rd Season of "**The Partridge Family**" begins in May and you'll be the first to be back on the set with all our friends!

Although I have been out to visit the **Partridge** stars during the hiatus, it's always great when they're filming. Columbia Ranch is such a fun place to visit and something wonderful is always going on!

Danny called me the other day to tell me about the new horse he got! He's so excited about his new friend that he wants you to be the first to know the story behind his newest love! If you remember, **Danny** used to have

a horse called **Patience**, which he had to sell. But now, he's happy again with a beautiful horse to call his own!

Have you ever written a love letter? Maybe you've written one, two or maybe more, to your favorite beautiful guy, and mine, **David**! You know, **David** loves all his fans very much, and he's got a special collection of the letters you write him.

HERE I AM with **David's** pal **Al Rhodes**! Read his column on pg. 48!

Even though he can't answer every single one, he treasures them and keeps them close to his heart. Who knows, maybe your letter is among them! See the story on page 14!

If you're as big a **Partridge** fan as I think you are, you probably know quite a bit about this family! Still, there just might be something you haven't yet discovered! On page 16 you'll find out!

GUESS WHO? Right! It's **David** and you can win his bicycle on page 4!

DANNY'S GOT A brand new friend! A horse he can call all his own!

Susan Dey dropped me a line the other day to tell me she's moved again! I know you're saying now, "But **Susan** just moved to a new house!" and you're right. But you see, when **Susan's** friend and roommate **Jane Joyce**, left for Massachusetts (see our exclusive story on page 20), **Susan** decided living alone in a big house wasn't just for her.

She decided to pack up and get a small apartment of her own. Stick with **Partridge Magazine** for all the information about her new place!

You probably know by now that **David's** dad **Jack Cassidy** and **Shirley Jones** have separated. **David** was very hurt by their decision to leave one another, but he's trying to understand the reasons behind it. Turn to page 66 and find out the whole story, as **Shirley** tells it.

I've received a lot of letters asking for information about **Susan Dey's** personal books! Yes, they can be yours! **Susan's** 3 books on beauty are "Boys, Beauty and Popularity," "Susan's Private Journal," and "For Girls Only!" You'll learn so many secrets from them! Check pages 53, 55 and 62 right now! You'll be thrilled!

You know, **Susan Dey's** got the secret to lots of "girl problems," and in our next issue of **Partridge Magazine**, on sale the 2nd of May, she's going to spill the works! That's right. Just for you **Susan's** going to reveal all her tricks, secrets and steps to beauty she's learned through modeling and acting!

You too can be popular like **Susan**. It just takes a little effort and true dedication. And that's what you are aren't you? Dedicated to being the beautiful happy wonderful girl you are!

So, see you next month, and till then,

Love, Sharon
