## HAPPIEST DAY

I just wanted to say that May 23rd was the happiest day of my life! Why? Because I finally got to see David Cassidy in person. Everything went so fast, I couldn't believe it! I got to talk to Sam Hyman, too. Boy, is he a nice person. I wish they would come again...and my dream is for them to come back to the Memorial Auditorium in Canton, Ohio. It might come true, I sure hope so. David—I LOVE YOU!!!!!!!

## WANT TO BE KNOWN!

I live in a very small town where nobody like David Cassidy ever comes. I know there are millions of Partridge Family fans who live in small towns and we WANT TO BE KNOWN!

## WHY NOT SUZANNE AND BRIAN?

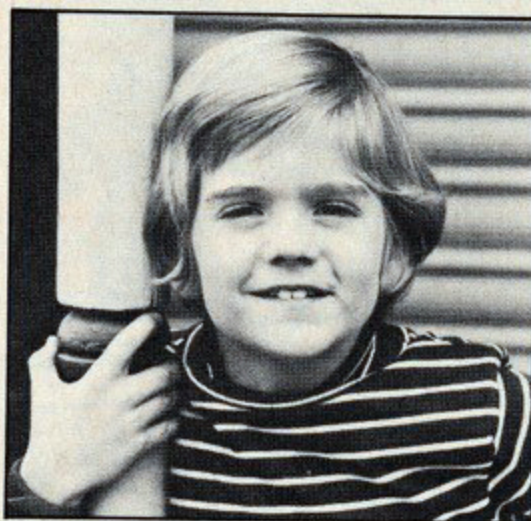

I watch the Partridge Family on television and I love it. But there are never shows about Tracy or Chris. I think it would be nice to have shows about them.

Hoping for them

## BEAUTIFUL START

I have a way to start and finish a beautiful day. When I wake up in the morning, I look at the pictures of Brian Forster. And before I go to sleep I look at his pictures again!

## GREATEST EVER

I just wanted to take a few moments to tell David Cassidy that his concert was the greatest concert I have ever attended. He was so nice and acted so polite at his concert. He made it the happiest moment in my life. Dave and Kim Ellingson, Steve Ross and the rest of the group were outasite! David, your wonderful concert made me the happiest girl in the world. I hope you come back to Greenville, S.C. again soon, please.

Dear Sharon,

I'm an avid fan of the Partridge Family and I was so glad when the Partridge Family Magazine went monthly that I'm sending in a subscription for it. But I want my collection complete so where can I obtain the December 1971 issue of the Partridge Family Magazine?

Greg Kuritz  
Albany, New York

Dear Greg,

Glad to have you join us! For any back issues of the official Partridge Family magazine, all you need to do is turn to page 29 and it'll be in the mail before you know it!

## MORE ABOUT DAVE

I read your groovy magazines and there are so many groovy things in them. I am 13 years old and I naturally should like David Cassidy but I think my favorite character on the Partridge Family is Dave Madden and he is the character that the magazine has less of. I understand that it is not his show but I really like him and I would like to know more about him. I would like to know if there is any way I can get more on him, pics and other information.
