

# Let's Tour With David

**BY KIM AND DAVE**

All set for another exciting concert tour with David? That's great because now you can come along each month as David's back-up singers, Kim and Dave let you in on all the fun!

Hello to Everybody!

Is it ever groovy to be back on the road again! After being on a much needed vacation from Christmas until February, hitting the road once more was so exciting!

You probably already know that **David** spent his vacation in Europe and he arrived back in the good old U.S.A. all rested and dying

to meet YOU once again at his concerts!

Usually we answer questions in the last part of our monthly column here in Tiger Beat's Official Partridge Family Magazine, but heavens, we received so much mail during the past month we're going to try to answer some of it here—and we're going to start right now, in the beginning of our

column! Hope you find the answer to your question and remember—any time you want to know something about **David's** concerts, or on tour with **David**—write to us and we'll try to answer every letter! Before we begin though—here's **David's** tentative concert schedule for the next few weeks! We'll be looking for you when we sing in YOUR town!

Dear Kim and Dave,

I know David has a dog that I've seen pictures of named Sheesh, but when he goes on concert tour, who takes care of the dog? Also, do you two have any pets?

Linda Rosetta  
Trenton, N.J.

Dear Linda,

David's dog Sheesh stays at home when David's on tour and is well taken care of by David's friend Al Rhodes, or Sam Hyman, if he isn't along on the trip! We've got a dog—a white cock-a-poo (that's a mixture of a cocker spaniel and a poodle) named PoCo! Friends take care of him for us when we're touring with David!

Dear Kim and Dave,

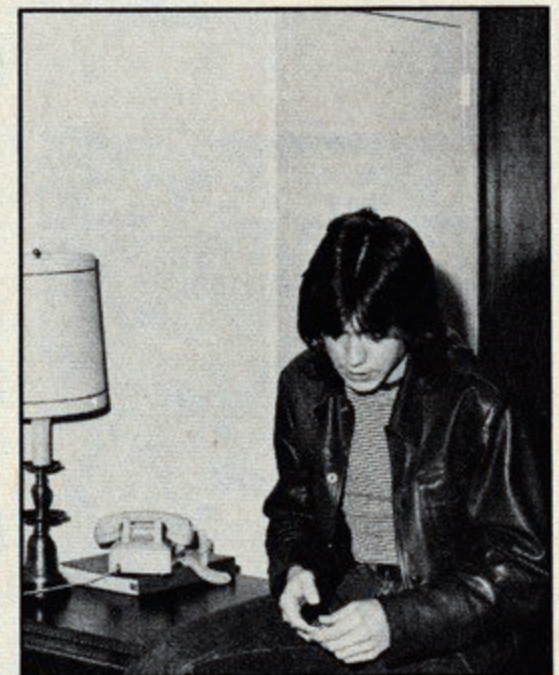

I went to David's concert last summer in Monticello, N.Y., and I thought it was just fantastic. David's got a groovy back-up group and I thought his drummer was super! Could you tell me his name and something about him? Hope to see you again on tour!

Barbara Pierozzio  
Philadelphia, Penn.

Dear Barbara,

We hope to see you on tour, too! David's drummer is just as groovy as you say! His name's John Raine,

and besides being with David on tour, he plays for Sonny & Cher on their weekly television show! He'll be glad you asked about him! Thanks for writing!

**FOR SECURITY** reasons David sometimes has to stay in his hotel room all afternoon! It makes him sad!
