

SET-SIDE WITH CECELIA

Now you can personally get in on all the Partridge activity and fun as Danny's sister Cecelia Bonaduce, President of the Partridge Fan Club takes you right on the set each month!

Get ready for a busy day! Since the Partridges are still on vacation, we're going to get in the car, drive all over Los Angeles, and visit all of them!

Our first stop will be **SUSAN DEY'S** house, because she has to leave promptly at 7:00. **SUSAN** is doing a movie with **CHARLETON HESTON**, and her day begins early! Here she comes now!

"Hello, **SUSAN!**" we call from the car. "Surprised to have visitors this early in the morning?" "I sure am!" **SUSAN** laughs. "But pleasantly surprised!" Would you like to come inside for a cup of tea?"

Once inside, you notice how much bigger this house is compared to her last home. "I just decided that I needed more space!" **SUSAN** explains, then glancing at the clock, "I still have about fifteen minutes before I have to leave for the studio... how about a real breakfast, instead of just tea?"

SHIRLEY OFFERS us breakfast when we stop by her house, but we've already filled up at Susan's place!

Naturally, we jump at the offer, and before you can say "Partridge," **SUSAN** has whipped up some eggs, toast, and orange juice!

When breakfast is over... much too soon... **SUSAN** walks us to the car, and then we're on our way again. As we're driving off, you suggest that maybe someday we can watch **SUSAN** shooting the movie! What a great idea!

OFF TO BEVERLY HILLS

Our next stop is the huge Tudor mansion in Beverly Hills! You look so surprised that I just have to ask what's wrong. "Oh, nothing," you reply. "I've just never been here before, and I hadn't pictured such a beautiful home!"

If you think it's beautiful now, wait until you go inside! **SHIRLEY** has spotted us from the window, and now she's running down the walk to greet us.

"Hi!" **SHIRLEY** smiles. "It's so nice to see you! I've missed you since the show stopped! Would you like to come in, and have breakfast?"

We laugh as we tell her about our breakfast at **SUSAN'S**, but we take her up on the invitation to go inside! As we walk to the living room, you whisper that the house really is beautiful inside and out!

SHIRLEY interrupts your thoughts. "Well, if I can't offer you breakfast, how about a hot drink? Would you like hot chocolate?" That sounds so good, since California mornings are chilly, and it has been a long drive, that we accept!

While **SHIRLEY** is in the kitchen, **SHAUN**, **SHIRLEY'S** oldest, comes running in. "Oh, hi! I didn't know you were here!" **SHAUN** says, as **SHIRLEY** comes back in the room with the cocoa.

"Hey, Mom," **SHAUN** continues, excitedly. "Look! Here's a letter from **DAVID**," he says as he hands **SHIRLEY** an envelope.

SHIRLEY opens the letter quickly, and reads aloud.

"Dear Family, having a great time. Europe is fantastic. I don't have much time to write, because I'm traveling all the time, but have I got a lot to tell you when I get home!

Love,
DAVID"

"Well, it was short, but it's nice to hear from him. He writes little messages often... just so we won't worry!" **SHIRLEY** smiles happily. We finish our drinks, and then say goodbye! We thank her for a lovely time, and **SHIRLEY** says, "make sure you come again!"

When we arrive in Woodland Hills, we have to decide whether to

STOPPING BY SUSAN DEY'S house is loads of fun, as an extra bonus she's going to make us breakfast!
