

**CANADIANS SPEAK UP!**

I was really happy to read a letter in Tiger Talk by Chris Speare in the February issue 'cause she, like me, is Canadian! It really thrills us to read letters by other Canadians in your magazine, as well as being thrilled by anything you write! I'm also pleased to say that there was an audience of 22,000 to see the Osmonds in concert here, and we hope they'll be coming back soon. Say "hi" to them the next time they stop by your office!

Hi Ann,

My name is Dawn and I'm 15 today! I really dig the Jackson Five and I especially dig Jermaine! My mother says that I have a one-track mind and that it's only on the Jackson Five. And ya know something? She's absolutely right!

**MYSTERY QUESTION**

Do you know what "niceness" is all about? Just dig Chad Everett and you'll find out!

**GETTING IT STRAIGHT**

I have one thing to say, and I'm going to say it now! Bobby Sherman haters, bug off!!

Dear Ann,

I just received my David Cassidy Fan Club kit and all I can say is what a fantastic club! I loved everything I received, especially his personal recording. His message made me love him even more. And just like David said, I, too, hope we will someday meet! So until that time...

Spread love!  
Liz Knapp

Dear Liz,

Thanks for sharing your nice words with us. We agree that David's personal fan club kit is something that all David fans will cherish. For others who'd like to join, see page 17.

**GROOVY TEETH**

I just saw the Osmonds! When Donny was singing my heart started beating fast. I was sitting on the sofa and I almost screamed. My mother even enjoys them. She likes Donny best. She is always talking about how nice his teeth are. She said he has a great smile. And he does!

**BRAND NEW FAVE**

It's almost embarrassing to admit, but I'm 15 years old and am known to watch "Lidsville" every Saturday morning! Why? Because Butch Partick is the star of it, and he's one of the cutest guys to come along in a very long time! I wish you'd have more on him in **TIGER BEAT!**

Gerry Adams

Dear Gerry,

Your wish has been granted! For more on Butch, see page 63!

**DREAMY POSTERS**

I couldn't believe it when I opened all my birthday gifts and found my own copy of **TIGER BEAT'S** Love Posters from my girlfriend! They were just dreamy! I especially flipped over the pictures of Michael Gray and David Cassidy. Can you tell me if any more Love Poster magazines are available? My sister wants one too!

Jackie Messina

Dear Jackie,

You wrote just in time because there are still some more **TIGER BEAT** Love Posters available! For additional copies, see page 49!

Did you know that if a state was named after Wes Stern it would be called Western State? (Now you know!)

**TWO-FACED FANS**

I think I'm the luckiest girl in the world! It seems like everyone who meets me for the first time says that I have the smile of David Cassidy and the eyes of Bobby Sherman! Isn't that fantastic?

**SEND HIM C.O.D.**

I was just wondering if you could give this message to the Osmond Brothers: Whenever one of you just happens to get tired of one of your brothers, and want to get rid of him, I'll take him! I don't care which one, I'm not choosy! I love all of you!

**ABSOLUTELY FLIPPED**

The first time I heard Donny Osmond's song "Sweet & Innocent," I flipped! To me it was just beautiful! But my feelings were nothing compared to how I felt when I saw him in person! He is just terrific!
