

Q. Is there a special book Osmond fans can order for a bunch of beautiful pictures and information?

A. There sure is, and you can get your own copy direct through TIGER BEAT! Just flip to page 58 for information on how to obtain "Osmond Photo Memories," and you're on your way!

Q. How tall are David and Linda Jones?
A. David stands 5'3½" and Linda is 5'6".

Q. I've read about all the many things readers can order from TIGER BEAT, and I'd like to send away for some things too. But what I was wondering about was, will you accept a check?

A. Sure, checks or money orders are indeed acceptable!

Q. I understand that Viri Osmond is married, but can you tell me if he has any children? Also, what is his wife's name?

A. Viri's lovely wife's name is Chris, and they have two children, Jared and Aaron. Incidentally, a third is due this spring.

DONNY

MICHAEL

Q. Is Michael Gray as nice as he seems?
A. Michael's even nicer than he seems!

Q. I'd like to know if David Cassidy is dating his double, Jan Freeman?
A. No, David and Jan are not dating.

Q. You just can't believe what you read anymore. I'm so disgusted I'm about to give up! First I had a Panorama City address for the Osmonds, now I hear their address is in Utah, yet I know they make their home in Los Angeles, but my sister insists their home is in Arleta! Will you please tell me what's going on?

A. Whew! We can see why you're confused, but please don't give up yet! First of all, the Osmonds once made their home in Arleta, California and at the time had a Panorama City mailing address. But as of the last year, the Osmond family has moved to West Los Angeles, and have requested that all their mail be sent to their official fan club in Salt Lake City, Utah. Their older brothers Tommy and Viri are heading the club, so it's a guarantee that all the mail forwarded them is read very carefully! If you're interested in writing, just address your letters to P.O. Box 8368, Salt Lake City, Utah 84108.

Q. Is it true that Jefferson Airplane's Grace Slick named her baby God?

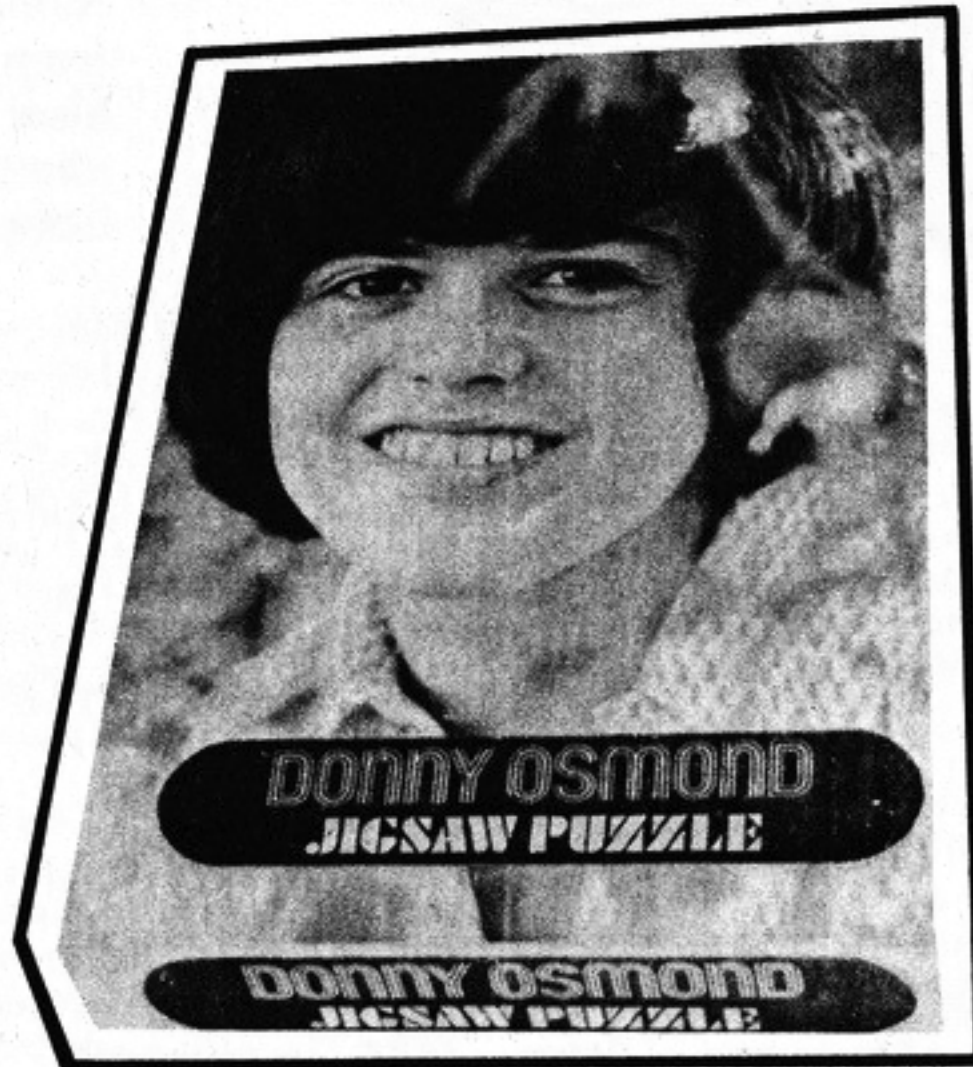

A. Yes, it's true, and Grace also spells it with a small "g".
