DAVID ANSWERS YOU! CONTINUED

I had to take off my sweater and tie it around my waist so I could give my report! As I recall, they laughed all the way through it, and when I was through the teacher said, "very good, David, but this was supposed to be a book report, not show and tell." All I wanted to do was go home!

WHO ARE YOU CLOSEST TO ON THE SET OF THE PARTRIDGE FAMILY?

**Susan Guzzi
Philadelphia, Pa.**

That's a hard one! I think it would have to be Shirley, because of everything that's between us, but Susan and I rap a lot, and there are a lot of guys on the crew I like, and Danny and Dave are a scream, and... oh, well, I like them all! I'm really lucky, too, because I've visited sets where everybody hated everybody, and it was really a drag.

DO YOU THINK THAT BEING A SUPERSTAR HAS CHANGED YOUR PERSONALITY?

**A Fan
Miami, Florida**

SUPERSTAR? Are you talking to me? There are only about three real superstars in the whole world, and I don't really count myself as one of them! Actually, I think the word is getting overused—it's like everybody who's ever been photographed is a superstar! I think the only real change in me since I got lucky is that I get to sleep less!

DO YOU EVER PRINT? EVERYTHING I'VE SEEN THAT YOU'VE WRITTEN WAS IN WRITING.

Lynne

Actually, I've just learned to write, and I'm still proud of it. I'd probably still be printing, but it takes too long to print an autograph! No, really, I do print from time to time, but mostly I write.

WHO DO YOU TAKE AFTER MOST, YOUR MOM OR YOUR DAD?

**Ann Gray
Aubrey, Texas**

Either answer could get me into trouble! I think I take after them both, but in different ways. A lot of my physical trips come from my mother, and some of my personality is more like my father's. And, of course, I'm different from both of them, too!
