

DAVID'S SONG- GIFT TO YOU

David Cassidy's got something to give you. It's totally new and totally different from anything he's ever given you before. You see, David is finally ready to give you his real, true self. He's already shown you his true self in his newly-styled concerts, but now he's giving it to you—in the form of a gift so you can take him home with you. Since he's an artist, the best way David knows to do that is to tell you in song. Get a copy of David's latest Bell single **Rock Me Baby**. Play it. Read the words to it. Then, read between the lines. Can you feel the new David coming through? Now, turn the record over and listen to **Two Time Loser**, a song that David Cassidy wrote himself. The feelings and strong emotions in that song are from David's deepest, innermost soul.

It's all there—and it's all for you.

ROCK ME BABY

(As recorded by David Cassidy on Bell Records.)

*You may call me a rollin' stone
I'm a free-born man—
And I stand alone!
I come a-lookin' for a little satisfaction!
I don't drive no Cadillac,
All I got's hangin' on my back—
But I do believe in physical attraction!
I can warm your coldest night,
I'll make everything alright, woman!*

(CHORUS)

*Oo-oo, rock me, baby,
Let me feel that beat,
I said, "Oo-oo, rock me, baby—
Right down to my feet!"
Hold me oh-so tight,
I said, "Oo-oo, rock me, baby,
All through the night!"
You better hold me while you can,
Or you're gonna lose your midnite man!
Now come on and rock me, rock me!*

*I was twelve when I left home,
Ever since I been on my own.
I come for a little recreation,
Guess I'll never settle down,
It's always been just one more town.
Oh, I roam from coast to coast across
the nation.
I can't promise I'll be true—
But I'll see just what I can do!*

(REPEAT CHORUS)

(DAVID SPEAKS—)

*Come on and rock me,
Come on and shock me!
Alright, now, roll me!
Come on, squeeze me,*

*Oo-oo, you sure can please me!
Um, um, alright now—get down!*

(REPEAT CHORUS TWICE AND FADE TO END)

TWO TIME LOSER

(As recorded by David Cassidy on Bell Records.)

*Baby, has it really been so long?
Is my smile so distant?
I can feel there's something wrong.
Um, all those lonely nights—
Was I a fool for you?
Baby, don't ya' say it isn't so,
Cos forgetting is so easy.
Was there someone else to hold?
Um, all those lonely nights—
Was I a fool for you?*

*I hold you close—it's not the same!
I feel your touch somehow has changed.
Did your love just give up on me?
Can't you see I need you desperately?
After I've given everything I had—
It wasn't good enough to keep you,
Keep you satisfied!
After you broke me down a second time,
Was I the fool you said you needed?
How could you lie?
Um, um—how could you lie?*

*Baby, guess there's nothin' left to say,
Was I just so blind to not see it in
this way?
Um, all those lonely nights—I sure was
a fool for you!*
