

# FROM ME

Hello again! Liz here talking to you from behind the mounds and mounds of paper work I've been trying to ignore, and the piles of mail I've been trying to read! The mail I've been getting has been fabulous! I find it hard to believe that so many envelopes can be addressed to little old me—honest!

In the past weeks, we've gotten tremendous response from all of our contests and ballots—and I really want to thank you for your response. Your ballots really help us try to make FaVE more of your magazine than ever before—and when your entries to our contests pour in by the mailbagsful—it makes the entire FaVE staff happy to know that we've pleased so many of our readers!

For instance, so many of you sprang to David's defense in the ballot "My Answer to David" (from the August FaVE—"Confession of a Teen Idol?") that I brought a huge bundle of them to the PF set to show David. David got the biggest and happiest grin on his face and almost shouted the words "I can't

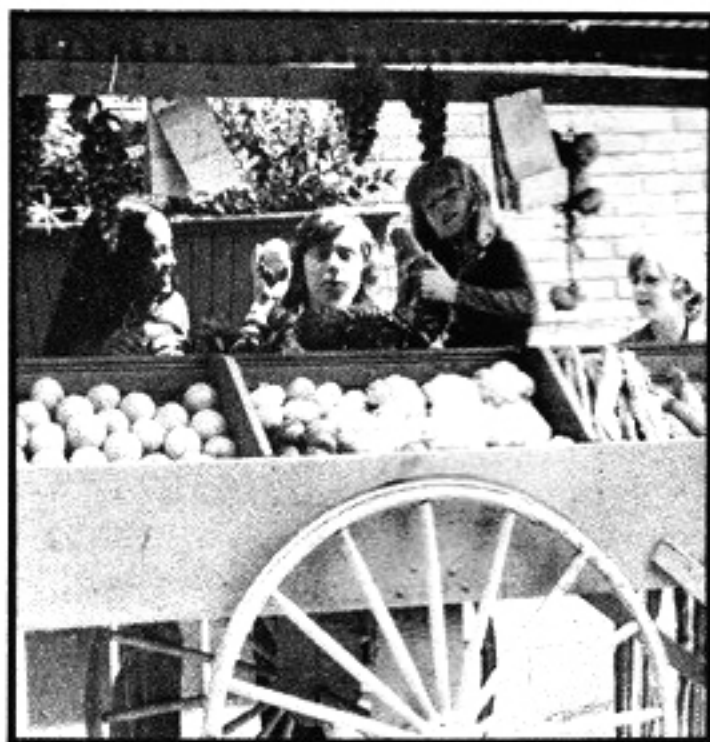

believe it!" David even took the letters that came with the ballots to his trailer to read when he had more time. He told me to pass along his thanks to all of you who have been so loyal and faithful to him! By the way, the ballots numbered in the thousands—and there were only 25 girls out of those 1,000's who felt David didn't deserve their love!

The winners to Find the Musical Instruments for David, Design Your Wedding Gown, and Beautiful

# TO YOU

Thoughts for Beautiful Guys will be announced in the next FaVE—ok? I'm just as excited as you are to find out who the winners are—so let's find out in the next FaVE!

Some other favorite people I saw on the PF set were Danny, Brian, and Suzanne. We did a mini-photo shooting with the PF kids—but it was so hot at the Ranch that we kept running to find shade! Our final resting place was the canopy of the fruit stand (see the pic), unfortunately the fruits were plastic (we had such a thirst that we were tempted to eat them anyway!)

Another set that's always fun to visit is the Brady Bunch! Each Brady is so much fun—and so natural! I even had a chance to show Chris Knight an issue of FaVE and he got a big kick out of it! (see the pic!)

Oh, before I forget—the next issue of FaVE is sure a "don't miss" because we'll be showing you pics of the Kiss David, Tour with Bobby, and Dinner with Donny contest winners. You've gotta be there to share all the fun of the dinners, tours, kisses, and surprise special guests!

Went to a screening of Mickey Dolenz' movie "Ace of Spades"—and had a terrific chat with Mickey. He's a really nice guy—and very talented too. He's hoping that this movie will lead to other films and perhaps another TV series. Mickey said, "I really miss TV work—I'd love to do another series." Sam, Mickey's pretty wife was on hand for the screening—she's as lovely and friendly as ever!

Surprise guests at the screening were two of Mickey's good friends, Del Russel of "Arnie" fame and David Jeoliffe of "Room 222." It's unbelievable how red David J.'s hair is—Del & Mickey keep referring to him as "the only red-headed dandy-lion alive!"

Hope you enjoy this issue of FaVE as much as we did putting it together for you. Until next month, keep a smile on your lips—and drop me a line—ok?

*Love... from me  
to you — Liz*
