HOLLYWOOD RUMORS

Dear FaVE,

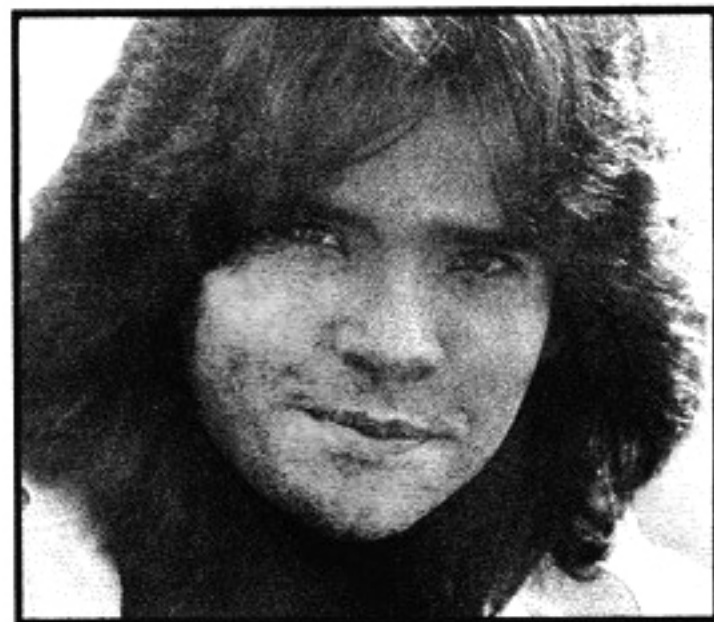

My girlfriend told me Donny Osmond wears dentures! I don't think it's true, but I just want to be sure.

Rita Barraco
Virginia Beach, Virginia

Dear Rita,

Donny Osmond does not wear dentures! Maybe your girlfriend misunderstood and confused dentures with the retainer Donny has to wear. We hope you clear up the confusion.

Dear FaVE,

I was wondering when Michael Gray's birthday is. My friend says he is a Leo because he's like a fiery lion. Thanks a lot

Cammie Valentino
New York, New York

Dear Cammie,

Hmmm—we tend to picture Michael as more of a sweet, cuddly pussycat than a fierce lion but it's all up to the person since marvelous Michael's birthday is September 2—which makes him a Virgo!

Dear FaVE,

We just adore Chad Everett! How old is he? I say 29 but my friend says 33. Which is closer? Also, does he need any extra women patients?

Sue and Kathy
Franklin, N. Carolina

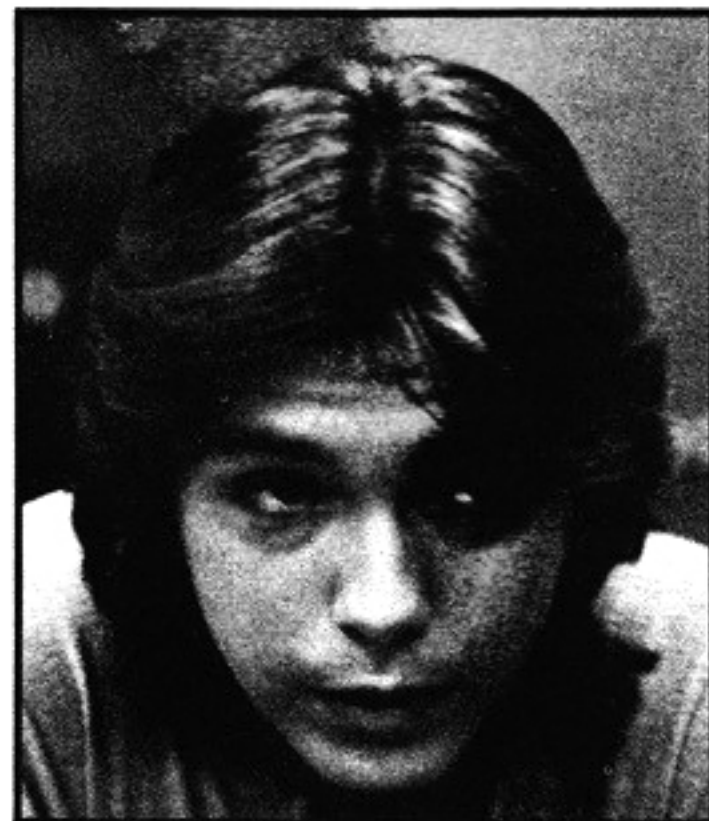

Dear Sue and Kathy,

If he does need any extra patients—move over 'cuz we want to be next in line! Darling Dr. Gannon was born on June 11, 1937—so your friend was closer!

Dear FaVE,

There is a rumor going around that David Cassidy is growing a mustache. Could you tell me if this is true or not?

Tracey Knight
Waltham, Massachusetts

Dear Tracey,

Another case of mixed mustaches! Bobby Sherman has a brand new mustache but David is still cute and clean-cut! Have you noticed Bobby's new, shorter hairstyle, too? Looks great on a great guy!

Dear FaVE,

My sister and I heard that Jimmy Osmond was in a car accident and is in critical condition. Is it true?

Nancy and Sue Cavolaro
Elmhurst, Illinois

Dear Nancy and Sue,

Little Jimmy is still jumpin'—healthy and fine! Let's end these horrible rumors once and for all!

Dear FaVE,

I'm crazy about Nino DeFranco! Could you tell me how tall he is, birthdate, plus the same info about his brothers and sisters. Also, where could I write to him? I would appreciate it.

Carrie Elder
Vancouver, Washington
