

# THE NAKED TRUTH

by ron scott

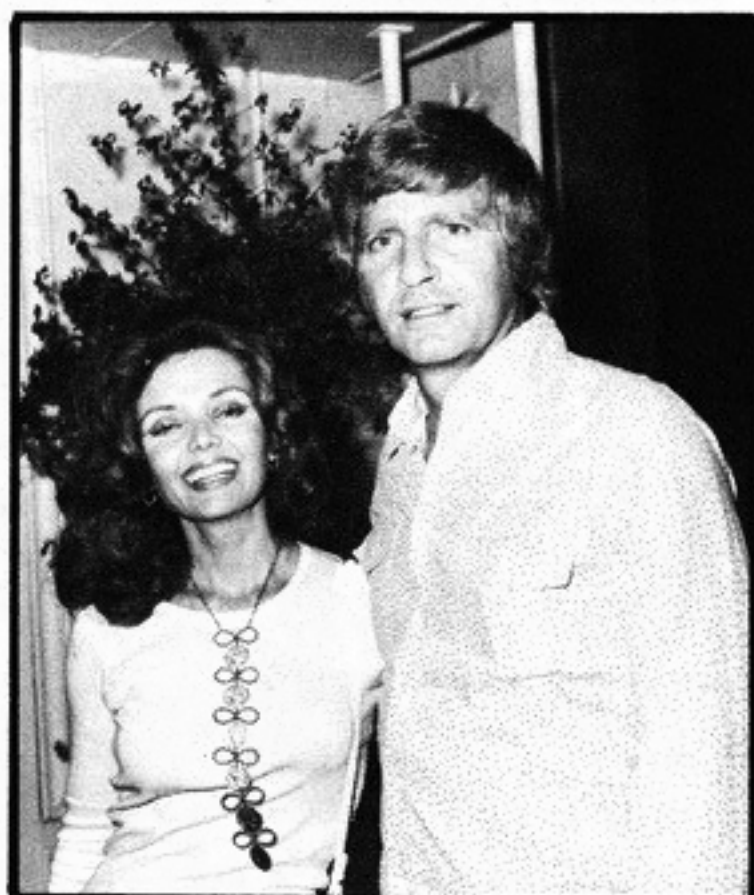

Susan George hasn't made any movies since *Straw Dogs*—and although she denies it, Jack Jones is the reason.

Eddie and Margo Albert were the honored guests at the Hollywood premiere of *Butterflies Are Free*, in which their handsome son Ed stars.

Desi Arnaz Sr., with wife Edith, refuses to comment on son Desi's on-again, off-again romance with Liza.

For those who've forgotten: Don Matheson and Deana Lund met on *Land Of The Giants* and have been wed since.

real live Hollywood agent by the name of **SUE MENGERS**. Sue represents such superstars as **BARBRA STREISAND**, **ANN-MARGRET**, **ALI MacGRAW**, **RYAN O'NEAL** as well as La Cannon herself. Also starring in the movie, which will offer an insight into Hollywood, are **JAMES CUBURN**, **JOAN HACKETT**, **RAQUEL WELCH**, and **DICK BENJAMIN**.

It is strange that Dyan hasn't remarried since her rocky relationship with **CARY GRANT**—she's certainly been afforded the opportunities. For a while she was seriously dating **JOHNNY CARSON** (who is now eligible, Dyan, if you care to compete with **JOANNA HOLLAND**) as well as both the co-stars of her latest movie *The Burglars*, **OMAR SHARIF** and **JEAN-PAUL BELMONDO**. Perhaps Dyan feels that marriage is not for her since her four-year affair with Cary was successful until the day they took the marriage vows. As everyone probably knows by now, Cary tried to play Henry Higgins to Dyan, changing her hair, her wardrobe, her speech, and her make-up. Independent Dyan also testified that Cary gave her a spanking when she refused to do what he demanded. Nonetheless, she still to this day admits, "He is the only man I've ever totally loved." She's currently filming *Shamus* in New York City with male sex symbol **BURT REYNOLDS**. There is definitely no romance there, for as everyone knows, wherever there's Burt, there's **DINAH!**

Recently caught a glimpse of the famous lovebirds Burt and Dinah (**SHORE**, that is) at a Hollywood screening of *The Candidate*. This flick, by the way, is dynamite and **ROBERT REDFORD** gives his best screen performance to date. Dinah couldn't keep her hand off Burt, who
