

ADORABLE ANTHONY Rodriguez is co-star of his own children's news show in Los Angeles! Lucky boy!!

night! Think about it, **DAVID**... We're sorry to report that the marriage of *The Lucy Show's* **LUCIE ARNAZ** and her husband, independent producer **PHIL VANDERVORT**, has apparently hit a rough spot! One of **LUCIE's** closets friends told us that **PHIL** has moved out of their home. **LUCIE** is reportedly **VERY** upset. Her mother and co-star on the show, **LUCILLE BALL**, is also quite upset, according to our sources. What caused the split? Our source hints that mother-in-law trouble *might* have been the cause, but we suspect no one—including **LUCIE** and **LUCY**—knows the real reason. Let's hope **LUCIE** and **PHIL's** differences are worked out and that they'll be back together real soon. In tinseltown, they were always known as one of our fun-lovingest couples. Let's hope they stay that way! They're too nice to fight!... We do know one couple who never fight! Who? **SONNY AND CHER** of course! And if you don't think that **SONNY** has a great, great deal of love for **CHER**, just

listen to him speak about his wife and her glamorous image: "The amazing thing is that **CHER** was never recognized as being a glamorous woman when we first made it big," **SONNY** said. "Maybe it was because we used to dress alike—I guess you could call it early uni-sex. But since the new show and our new image, people have been saying, 'Wow!' Of course," **SONNY** adds proudly, "I thought that all along!"... Since so many of you have written us asking about **EDWARD ALBERT**, that handsome young star of *Butterflies Are Free* with **GOLDIE HAWN**, here's a little info on your newest fave. **EDWARD** (who hates being called "Eddie") is six-feet tall, weighs 160 pounds, has long, dark hair, and has deep gray-blue eyes. **EDWARD's** parents are both actors in Hollywood—his Dad, character actor **EDDIE ALBERT**, and his Mom, **MARGO**, have been popular for over thirty years now. "I didn't exactly think of myself as a typical
