HOORAY FOR HOLLYWOOD!

(CONTINUED FROM PAGE 15)

movie star's kid," EDWARD told us recently. "But I've had it awfully good all my life. I'd be lying if I said I didn't have an acting career in the back of my mind ever since I was able to think about it. But I didn't want to get boxed in. I majored in psychology at UCLA and even though *Butterflies Are Free* temporarily interrupted my studies, I intend to finish my college courses." If you'd like to write to EDWARD, send your letters to: EDWARD ALBERT, c/o Columbia Studios, 4000 Warner Blvd., Burbank, Calif. 91505. He'd love to hear from you! . . . What have DESI ARNAZ JR. and LIZA MINNELLI been up to? Well, after DESI finished making *Marco Polo* in Japan, he and LIZA headed for a vacation—in Hawaii! Joining DESI & LIZA on their Hawaiian fling are another popular young Hollywood couple, DINO MARTIN and his wife OLIVIA HUSSEY. DESI says that he is going to learn how to ride the surf while LIZA promises to wait faithfully on the beach! "I'm chicken!" she laughs. Aloha! . . . KAREN CARPENTER admits that she has a brand new passion—tacos and pizza! "Yes," KAREN told us, "I'm crazy about tacos and all kinds of Mexican food! But I really love Italian food, especially pizza! I wish they could combine the two!" While KAREN tries to invent Mexican pizza, THE CARPENTERS newest single, *Goodbye to Love*, just keeps

climbing and climbing the charts. No wonder KAREN loves tacos and pizza—she can afford all she wants with so many hit records! . . . As for DONNY OSMOND, you really don't have to guess what he's been busy doing these days! "I'm trying to catch up on answering fan mail," DONNY told us last week. "So many wonderful people write us and I think it's a shame if we can't somehow acknowledge these bunches of letters. I make a special effort to try and see that as many as possible are answered!" Which only goes to prove what YOU knew all along—lovable DONNY really cares . . . DAVID CASSIDY also adores his scads of fans. When we asked DAVID about his millions of fans, this is what he told us. "You ask me how I feel about the millions of girls who would gladly tear me to pieces for a souvenir? I love them because they're good and wholesome. And they regard me as safe and trustworthy. I can feel the spirit across the footlights. Those people out there, those kids who come to hear me sing—they love me. And I try to return their love. And maybe it sounds hokey and corny, but I feel it's genuine!" Of course it is DAVID — how could millions be wrong? Especially about a wonderful guy like you!! . . . Oops, I hear the phone ringing!! So I'll have to run now, but please be sure to buzz me next month, okay? 

THE OSMONDS have been honored by the United Cerebral Palsy Association in Los Angeles for "outstanding cooperation and unselfish, devoted service"!!
