The FANTastic facts...  
ESPECIALLY FOR YOU!

“ I like to think that my fans go for my music rather than for my face, because that's what I'm all about. ”

**BORN IN 1950, David had his first big theatrical break in 1969 when he appeared in the Broadway musical 'The Fig Leaves Are Falling' in New York. Then followed dramatic roles in such TV series as 'Marcus Welby M.D.', 'Ironside' and 'Bonanza', before he was cast as Keith Partridge in 'The Partridge Family'.**

**David's first solo single, 'Cherish', earned him a certified gold record; and he has recently completed thirty-two solo concerts in America. But his phenomenal success has resulted in him having to go out in disguises to avoid being hurt by a rush of over enthusiastic fans.**
