# MEET THE NEW

Sssh—David Cassidy is softly sliding
across the stage,
singing his heart out and
penetrating the depths of your very soul.
This is a different David
from the one you used to know;
he's gentler, softer, sweeter and genuinely
lovely as he moves and sings
in perfect harmony.
You love him (you've always loved him)
more than ever now.
He's quieter, calmer, and totally open.
You feel as if
you've come to share a very private
moment with him.
David sings of love. Love which is pure,
perfect, and completely personal.
David's love
which you've been yearning for
is now all yours.
