

DAVID'S OWN PERSONAL PHOTO ALBUM

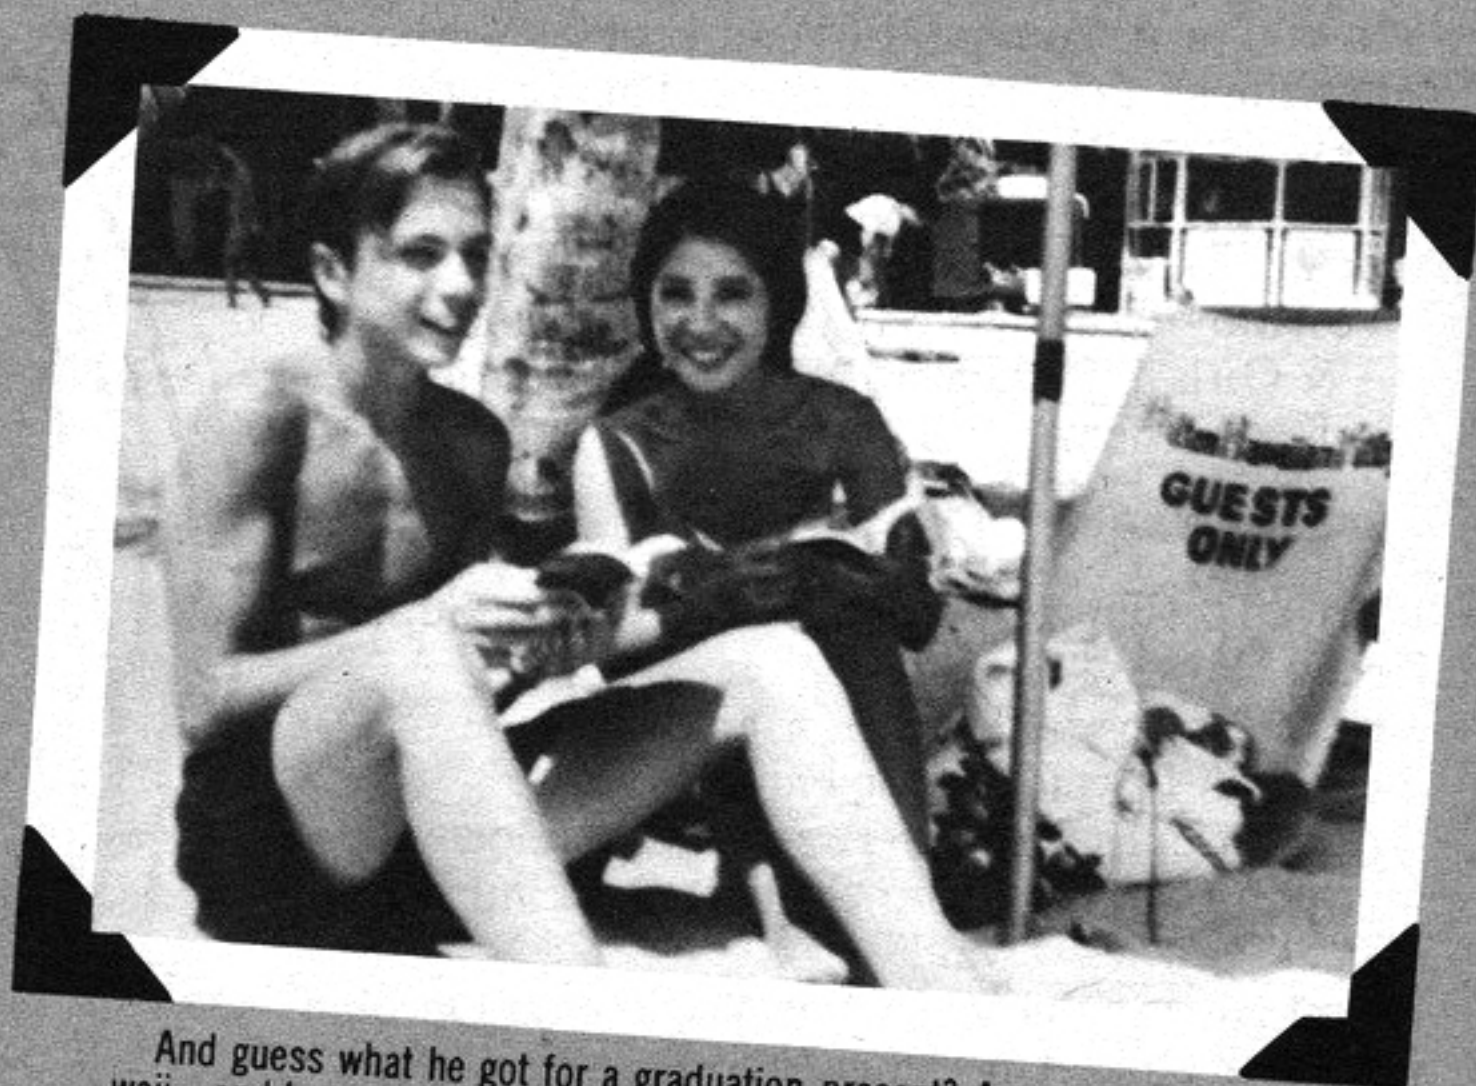

PART SEVEN

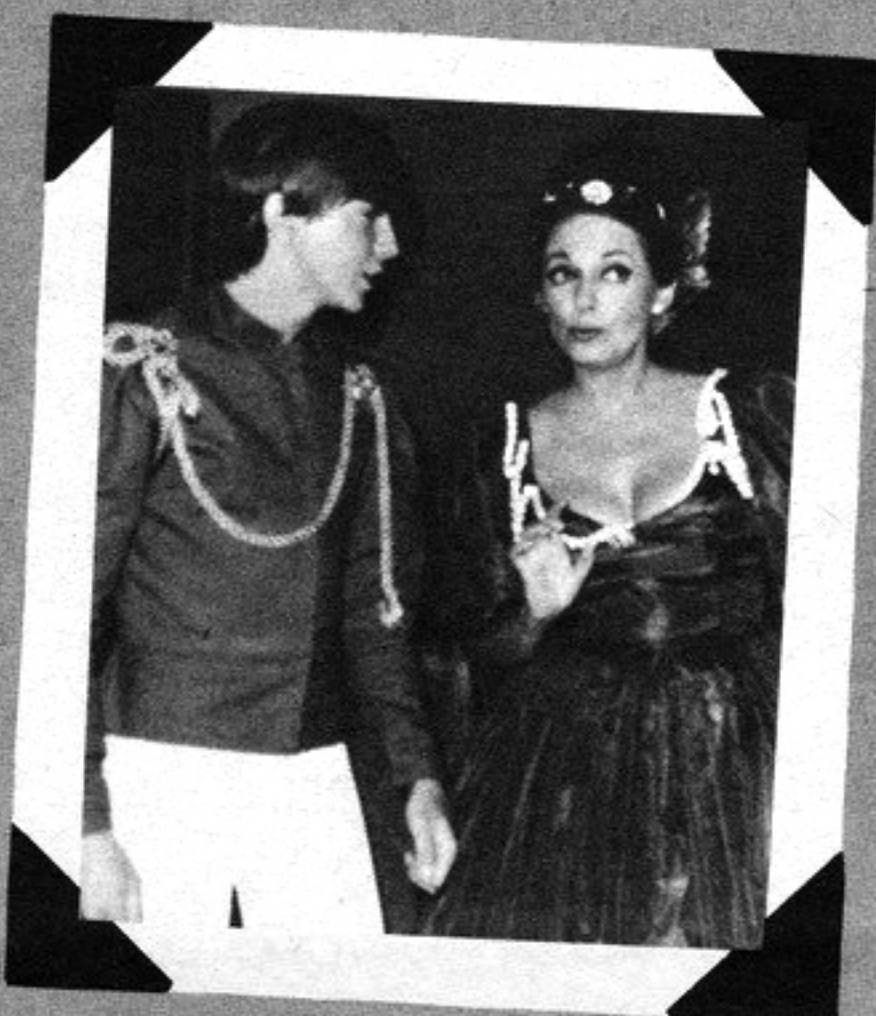

HELLO—and welcome back to the world of **David's Own Personal Photo Album!** It's almost graduation time—so come on along and join the fun!!

This is a picture of David when he was 18 years old—taken on the eve of his graduation from the Rexford School in Beverly Hills, California.

And guess what he got for a graduation present? A vacation in Hawaii—and he even met a beautiful Japanese girl on the beach!

The turning point of his life came when he was featured along with his lovely mom in a Hollywood community theater production of the musical **And So To Bed**. He even got to sing a song!

A year later, he played his first—and very favorite—important TV role—that of "Billy," a rebellious teenager, on **Bonanza**.
