

FROM ME

Hi! I've been sitting in my office looking out the window onto the most famous street in the world—Hollywood Blvd.! Across the street I can see Grauman's Chinese Theater where so many great stars have imprinted their shoes and hands in cement. The sidewalks are lined with glittering gold stars with the names of popular celebrities. Hollywood Blvd. is filled with glamorous things... and the FaVE offices face all of that everyday. I feel very fortunate to have such a wonderland just outside my office window.

Just the other day I was walking down the street (you know which street I'm talking about—right?) and guess who was just a few steps ahead of me? **Richard Thomas**, the handsome and very talented actor of "Red Sky at Morning" fame. **Richard** really looks cute in person and I'm glad to report that you and I are going to be seeing lots more of him this TV season. **Richard** will be starring in his own series called "The Waltons" on CBS (don't miss the premiere on Sept. 14, at 8 p.m.)—to be sure, I'll be watching for it!

WATCH FOR blond & good-looking **Richard Thomas** on TV this season!

TO YOU

LOVELY SEASON HUBLEY guested on Partridge show & has a movie role!

Season Hubley (the gorgeous girl who was Bobby Jo in the TV pilot "Bobby Jo & the Big Apple Goodtime Band" with handsome, handsome **Michael Gray**) guest-starred on the Partridge show. I'll be on the lookout for the air date and tell you—ok? This show is sure to be a "don't miss"! I was so glad to see **Season** again, and altho it's hard to believe, she's even prettier than the last time I saw her. She also had some great news to tell me. She's landed her first movie role in "The Lolly-Ma-

onna War" also starring **Jeff Bridges** (he's **Beau's** brother and **Lloyd's** son—that **Bridges** family is full of acting talent—not to mention good looks)!

Season's got something about her that spells out **STAR**—so keep your eye on her!

While on the subject of acting, let me tell you about **Donny Osmond's** acting debut on the "Here's Lucy" TV show starring **Lucille Ball**. **Donny** played himself and he was adorable as ever! I got to watch the taping of the show and **Donny** was really great. I haven't got the info on the airdate yet, but trust me—I'll get that vital bit of info to **YOU** as soon as possible! It's a really cute show! A surprise was finding out that **Eve Plumb** (Jan in "The Brady Bunch") played the young niece who was totally flipped over **Donny** in the show. In real life, **Eve** is a big **Donny** fan—and they got along just fabulously!

WANT TO KNOW who won **Donny's** puppy love? Just keep on reading!

Went to the Partridge set and noticed **David** was wearing this unique necklace. I asked him about it and he gently touched it, smiled softly, and said, "A friend of mine made it for me from the shells I found on
