Q & A HOLLYWOOD RUMORS

Dear FaVE,

I've been wondering for so long, so won't you help? There was a movie called "Parrish," I was wondering who the guy is who played Edgar Raike?

A Fan
Glenview, Illinois

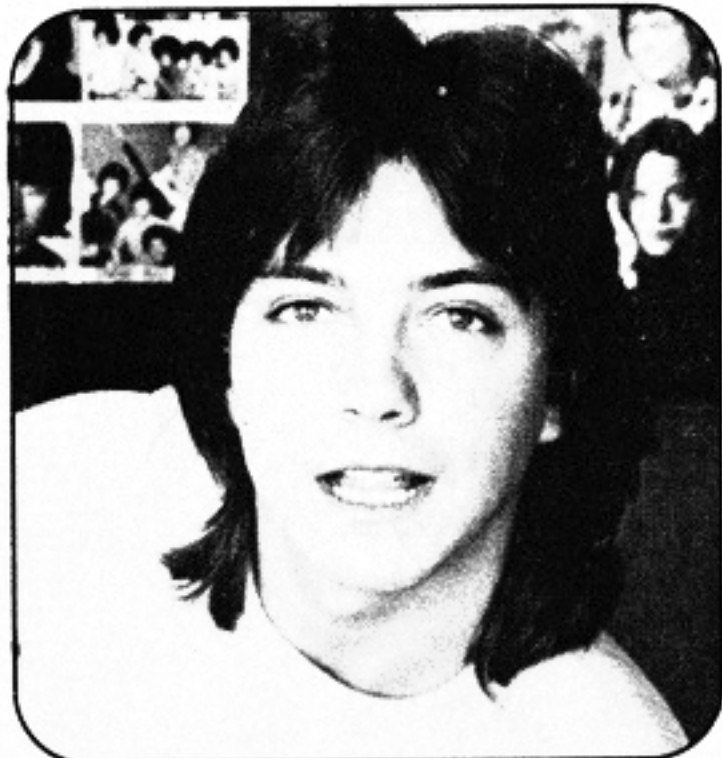

Dear Fan,

The actor who played Edgar Raike is Hampton Fancher III. The movie was a Warner Bros. release in 1961 and was Hampton's first movie role. You can write to him in c/o Screen Actors' Guild, 7750 Sunset Blvd., Hollywood, California 90046.

Dear FaVE,

In your July issue it said you, could write to David at David Cassidy's fan club. I've been writing to David at 6311 Yucca St. Which is right?

Jennifer Nicholson
Columbia, S. Carolina

Dear Jennifer,

The address to David's fan club is Box 3900, Hollywood, California 90028. Happy writing!

Dear FaVE,

Is it true Janis Joplin died of an overdose of drugs? And they say she was a heavy drinker. Is this all true?

Janet Reed
N.Y.C., N.Y.

Dear Janet,

It was part of Janis' style to be a "heavy drinker," sometimes sipping from a bottle of whiskey during her act. At her death, the authorities said that the cause was due to an overdose of drugs. Her friends, family, and fans haven't stopped missing her since.

Dear FaVE,

My girlfriend says that Alan, Wayne, and Merrill Osmond have steady girl friends. I say they don't. Who's right? I wish to remain anonymous.

Thanks,
Salt Lake City, Utah

Dear Anonymous,

You have two reasons to be happy. Number 1—you're right! Alan, Wayne, and Merrill do not have steady girl friends! Number 2—your identity is safe with us!

Dear FaVE,

Last year I sent Christmas cards to all my very favorite stars. This year I want to make sure they each get their cards. Is there any way I can get the correct addresses?

Mary Page
Santa Fe, New Mexico

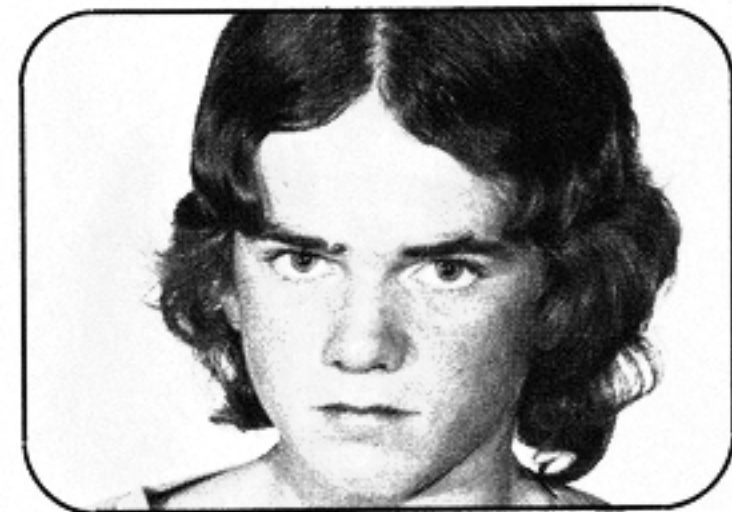

Dear Mary,

Goodness, you do start early, don't you? We know how you feel though about sending, and being sure that the cards you send are actually received. If you'll turn to page 25 we think you will find the answer to your problems—the Star Address Book should guarantee you a very merry Christmas!

Dear FaVE,

Did Butch Patrick of "Lidsville" play Eddie on the show, "The Munsters"?

Tina Jo Bernard
Rantoul, Illinois

Dear Tina,

What keen eyes you have! You're absolutely right—that darling little "ghoul" is the same cool little darling we all know as Butch Patrick!

Dear FaVE,

I heard that Gordon Lightfoot has polio. Is this true? Does this mean he can't work anymore?
