#### WORTHWHILE CAUSE

We'd appreciate it if you could mention our fan club in your magazine because the proceeds will be going to a worthwhile cause—Bobby Sherman's fund for cancer victims. To join Sherman's Sweethearts Fan Club just send 25¢ for the first newsletter, up-to-date autobiography, membership card and welcome letter. Newsletters after that are 10¢ plus an 8¢ stamp. We also have a lot of contests planned for the future.

#### DANGER: OSMONDS!

I've been madly in love with the Osmonds for a long time, but I didn't realize how much they could affect me until just recently. When I went to their concert at the Forum, I went completely hysterical before the show even started. One girl sitting near me said to someone, "Emotional, isn't she?" The truth is, I'm not usually that way—only when the Osmonds are concerned. And when my sister was looking through your March issue and flashed your two-page picture of the Osmonds at me, I blacked out! I stay awake nights just thinking about them and I get high blood pressure every time someone mentions their name! I think they should print a warning on all their records and pictures: "Caution: Osmond-loving may be hazardous to your health!"

#### DANCING ON AIR

I take a ballet class at night and always think of David Cassidy while I'm rehearsing. That way the time goes by lots faster, and besides, he gives me the inspiration to work to the best of my ability. When I think of him, I feel like I'm dancing on air!

#### LET'S HAVE MORE

I think Donny Osmond is the greatest person alive, and when I saw him for the first time, I nearly fell out of my chair! He looks like the kind of person who would do anything for anybody, and I wish I knew him personally!

#### LIKED BY EVERYONE

I saw David Cassidy in concert at Madison Square Garden and thought he was great. But I'm tired of everyone saying that all his fans are teenyboppers. They're not! I'm 22 and my boyfriend is 26 years old. All of my friends are over 21, and we all love David Cassidy! We think he's talented and love his music, and even make scrapbooks of his pictures! So for all of you who think David is just a teenage idol, think again!

#### LOVABLE WAYNE

All my life I've wanted a pet rabbit and now for my 14th birthday, my parents finally surprised me with one! It follows me everywhere and is very loyal. But even better than that, when my parents asked what I was going to name him, I answered "Wayne," after my favorite Osmond! It's nice to think that everytime I call his name, he comes running! Maybe someday if I'm lucky I can say the same about the "real" Wayne too!

Love,  
Teri

#### TRY IT, YOU'LL LIKE IT!

This is intended for "Enchanted in California." Your magic word may be "Alanwaynemerrilljaydonny," but mine is "Alanwaynemerrilljaydonny-andjimmy!" It works even better! Try it, you'll like it!

#### DREAMIEST EYES

Do you know which fave has the dreamiest eyes? Michael Gray! And I'd love to gaze into them if I had the opportunity!

#### CALL A DOCTOR

There's a lot of good-looking TV doctors on the screen these days, but my very favorite is James Brodin from "Marcus Welby." I think he's a doll!

#### COOL, COOL, COOL!

I just love the Jackson Five and can't think of any other family who's as together and neat-looking as them! Please continue featuring the Jackson Five in your magazine, and I'll continue buying it!
