

### BRAND NEW FAVE

I recently went to see "The Godfather" and I really flipped over Al Pacino who played Michael Corleone! I've already bought a large poster of him to hang in my room. I hope you will find out information on him and put it in your future issues. I trust you for the truth and thank you very much.

Love,  
Susie

### HANDSOME HUNK!

Chad Everett is the most handsome hunk of man I ever did see. He's far more super than any of the faves at present and his sexy smile turns me on. Please do lots on Chad!

### DEDICATED TO DAVID

David, David tell me true, are your shorts white or blue? I can't drink, sleep or eat from just wanting to take a peep! Green, yellow, pink or blue, just as long as they're on you!

### LOVE THAT BOB

Just want to get my few words in. Love that Bob! Sherman, that is.

Kim Suttlefield

### SUPER SUSAN

I saw Susan Dey in "Skyjacked" and boy was she fantastic. She really is a good actress and she's so beautiful. All you Susy Dey fans better get off your fannys and go see it. You'll really love her!

### WHAT A FAMILY!

I haven't heard them sing, but already I think they're really neat, especially Tony! I really enjoy the stories I read on them and I'm starting to collect pix for a scrapbook. Please run a big beautiful color pix of Tony. For those of you who don't know who I'm talking about, it's THE DeFRANCOS!!!

### DOWN WITH DONNY

I'm sick and tired of seeing Donny Osmond on all the fan magazines! Why not put Ben Murphy, Brandon Cruz or handsome Jan-Michael Vincent on the front for a change! I like the Osmonds, but I've had my fill. Especially of Donny. So I say, "down with Donny."

### WHAT A FACE!

Now Mark Hamill is my kinda guy! The first time I saw his face was in the July issue of TBS and I've been dreaming of him ever since! All I can say is, what a face!

Tammy Hine  
Delray Beach, Fla.

### I LOVE MERRILL

I love all the Osmonds so much and I think they're the most fantastic guys to ever exist! Out of all of 'em Merrill is the one who stands out in my mind the most. I wrote this little verse, to simply say that I love Merrill Osmond!

I wish I were a guitar  
In a store upon a shelf  
And Merrill Osmond came along  
And took me for himself!

Dear Sharon,

How can I get some of those groovy Osmond Super Stickers?

Carrie Reed  
Oakland, Ca.

Dear Carrie,

If you'll just turn to page 43 you can find out how to get your Osmond Super Stickers today!

### TO EACH HIS OWN

I'm directing this to the girl who signed her letter Valerie, in the July issue of Tiger Beat. Listen Valerie! I'm tired of seeing Todd Crespi, Michael Gray and Donny Osmond! Lots of girls love seeing David Cassidy in Tiger Beat. David is number 1 to millions of girls all over the country and even the world. Then there's a lot of girls who rate Todd, Michael and Donny #1 on their list too. Look, you have your faves and I'll have mine. Okay?

Dear Sharon,

I really dig your magazine, but sometimes you play it a little dirty. I love, love, love the Osmonds and almost had a cardiac when I read on the front of the July issue of TBS: "Donny Begs Alan, Don't Leave Us!" Come on! Have a heart! Don't scare your readers like that!

### ONE THING TO SAY

I have just one thing to say about anything Bobby Sherman does! C'est ce bon!!!

Cam

Dear Sharon,

I'm desperately in love with that adorable Chris Knight! Is there anyway I can get a slug of his pictures for a reasonable price?

Desperately Waiting

Dear Desperately Waiting,

Chris Knight has his own super photo album out and if you'll turn to page 19 you can find out how it can be yours!

### SUPER-DUPER

Michael Gray is the most Super-Duper of all the faves! I love him with my heart and soul and I can stare at his sexy face all day!
