

**FOR ANDY & DAVID WILLIAMS**

Do people have a hard time telling you two apart? I'd also like to know if you've cut any albums and if you play any instruments? Myra O'Donnell, Moberly, Mo.

Dear Myra,

We'll have to say they do a pretty good job! It's usually the teachers and our school friends who can't tell who's who. We haven't cut any albums as yet, but we do have a new single that's been released, so be listening for it! We both play the guitar.

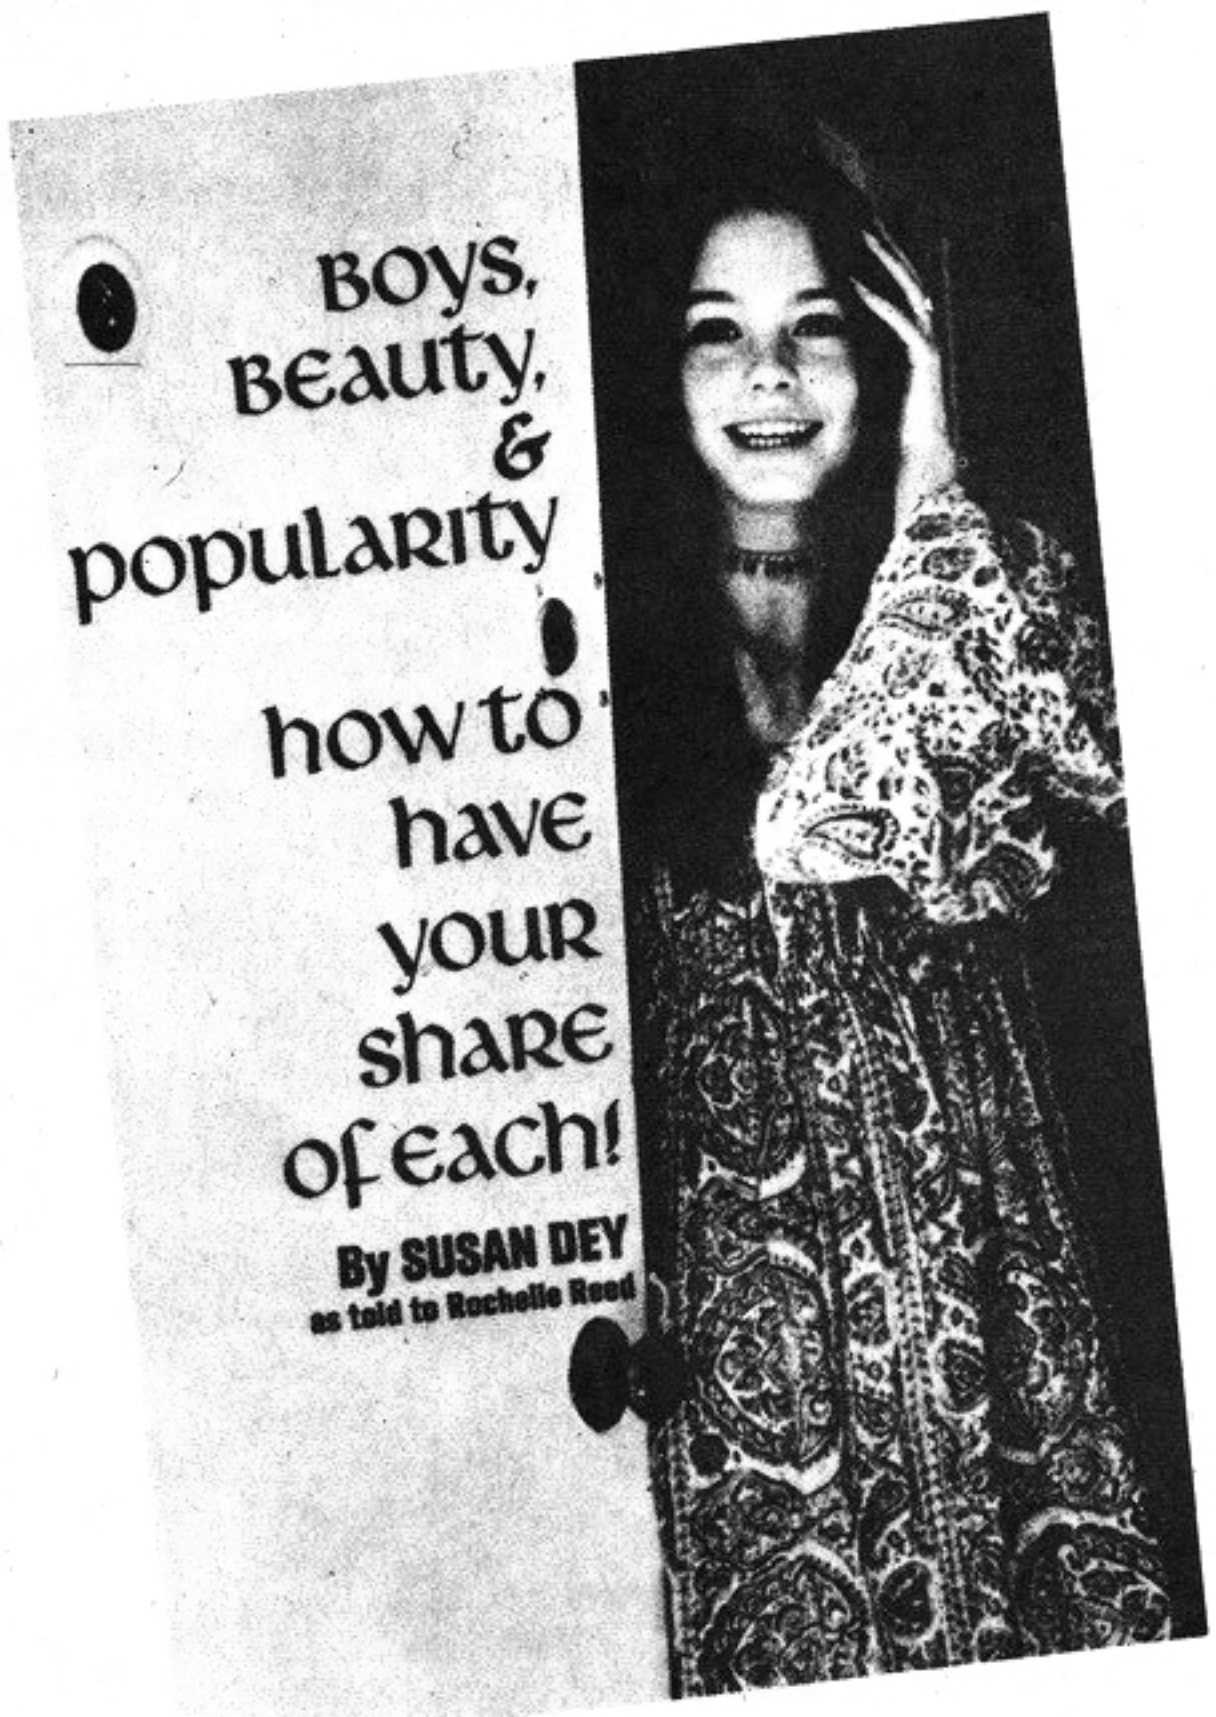

**FOR DAVID CASSIDY**

How long does it take you to record an album? Sherry Benton, McKees Rocks, Pa.

Dear Sherry,

It can take anywhere from two days to one week. This usually depends upon how smooth things are flowing and what type of sound you're trying to get. You might sing a song over six or seven times before you get what you want. During a recording session, you might start at 3:00 in the afternoon and leave at 2:00 in the morning. It's not an 8 to 5 kind of thing.
