

SUPER J-5

I think it's just great the way the Jackson Five let their little brother Randy join the group. I like all of them and think that their music is great. Let's see more of them in TIGER BEAT!

HAPPY FACE DAY

All the kids in my neighborhood have gone crazy over "happy face" styles. They buy happy face jewelry, happy face stickers, even happy face belts and shirts. But if you ask me who's got the happiest face I've ever seen, I'd have to say David Cassidy!

CASSIDY MAGIC

When I went to see David at Madison Square Garden, it was the most wonderful day of my life! My parents took me and a friend and we all had a terrific time. Before the concert everyone was teasing me and saying that we were going to a dog show, but after the show, everyone agreed that he was really great! Let's hope David returns here soon!

MUSIC-MAKING ADVICE

My girlfriend let me borrow a book she got from TIGER BEAT entitled "Right On's Advice to Beginning Music Makers." I know that Right On is TB's sister magazine, but I had no idea how great its music-making book would be! How can I get my own copy to give to my brother? He's already in a singing group of his own!

Dear Shelly,

Just flip to page 80 and send away for your copy of Right On's "Advice To Beginning Music Makers" book today! Happy singing to you and your brother!

SUPER THANKS

Thanks, thanks, thanks! I just cannot believe how much you have written about my cute and adorable fave, Jay Osmond! During the last few issues you have devoted space to him alone, and it really drives me crazy! But best of all are the big, beautiful color posters you've been running of him. As soon as I get together my money, I'm going to subscribe to your wonderful magazine!

MARVELOUS MICHAEL

Michael Gray is my favorite star and I was inspired to write a little poem about him. It goes as follows:

There is a guy
Who's new in town,
But do not worry—
He'll stay around.

He's very friendly;
The kind we like.
He's very nice,
And his name is Mike!

#1 WITH ME!

I adore Tony DeFranco and think he is the cutest boy to come along in a long time! Keep up the great coverage on the DeFrancos and I'll keep reading TIGER BEAT! (Is it a deal?)

Carmelita
Los Angeles, Ca.

Dear Carmelita,

It's a deal! Flip to page 68 right now!

WHAT'S SO GREAT?

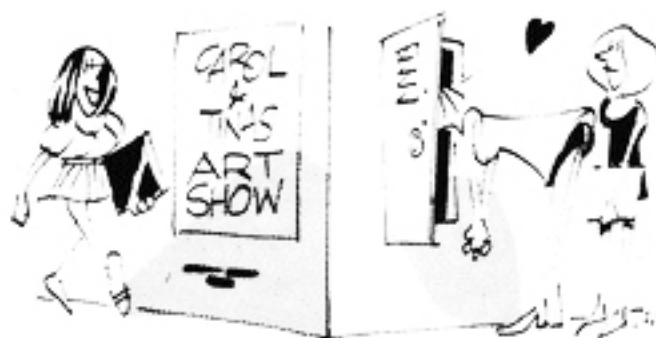

Just who does David Cassidy think he is? If he or his fans think he's the greatest, they're absolutely right!!!

CALMING POWER

Whenever I'm nervous or upset about something I turn on the record player and put on my Osmond albums. They always calm me down and cheer me up, and I'd like to thank them all!

POPULAR LOCKER

There's a rule in my school that you can't decorate your lockers with paint or anything that'll be of a permanent nature, but you are allowed to pin up pictures if you're interested in doing something different. Well, one day after school my friend and I decided to decorate our lockers with our faves from the "Brady Bunch." And now that we've got pics inside of all the groovy guys (especially Chris and Barry) we've got the most popular lockers around!
