SEE IT NOW

If you haven't already seen "Sky-jacked," you're really missing something! Susan Dey and James Brolin are terrific in their roles, and it's a movie you won't want to miss. Take my advice and go see it!

DOUBLE TROUBLE?

One Friday night I was watching TV and decided to change the station. When I came upon a TV series I nearly hit the ceiling! I thought Donny Osmond was on the show! But then when it was over and I saw the credits, I learned it was Chris Knight instead! The show, of course, was the "Brady Bunch," and Chris was super-great!

Happiness is watching "The Brady Bunch" and "Partridge Family" on Friday

But most of all—
Happiness is having a TV set to watch all of those groovy shows!

TOO MANY SUE'S

We had a "Celebrity Day" in school for fun this semester and everyone was supposed to come dressed as their favorite star. Well, at the end of the day at the school dance, nearly 50 girls came as Susan Dey! And we can't think of a better-looking girl to emulate!

COOKING WITH THE STARS

The other day I was going through my FaVE back issues and was looking over recipes from the stars, which got me to thinking how fabulous it would be to compile all the recipes in a fancy binder. Then when I want to pretend I'm dining in Hollywood, all I have to do is go to my kitchen!

Dear Sharon,

I am a boy who lives overseas and I like the Osmonds and David Cassidy. I am 18 and Japanese, and in my country the Osmonds and Partridge Family are very popular. I'm learning English in school, but I find TiGER BEAT lots more interesting than our textbooks! I'd like to correspond with girls who read TiGER BEAT, so as Donny Osmond would say, "Hey, Girl!" please be pen pals with me!
