Bobby Joe and The Big Apple Good Time Band came back to Los Angeles from New York to star in a Partridge episode. She plays, would you believe, a princess?

If you're a "watch it every week" Partridge fan you'll remember the episode last season when the motorcycle guy "Snake" fell for Laurie Partridge! The show was such a hit that they're bringing Snake back for an encore and he's going to get married this time! No, not to Laurie—to the Princess!

**HIS EYES SEEM to dance when he flashes a smile? Who is he? Find out all about him in the next issue!**

You'll have to see it to believe it. I was down on the Partridge set while they were filming some of it and it's really going to be cute! Don't miss it!

Speaking of SEASON, she might be a newcomer to acting (her first role was the Bobby Jo pilot) but she's such a great actress that she's already been cast for her very first movie called Lolly Madonna War!

Remember when I asked you to send in some names of good looking young guys to star in the movie Tom Sawyer? Well, they've decided to star JOHNNY WHITAKER in the title role. JOHNNY will do a great job, but I'd like to thank those of you who did submit names!

at La Costa! He's a terrific tennis player and marrying OLIVIA HUSSEY hasn't changed his game a bit. OLIVIA and DINO seem like they were just made for each!

But, while their marriage seems to be going strong, LUCIE ARNAZ, and her husband have decided on a separation.

All RONNY HOWARD fans should try to catch him when he stars in a Bonanza segment called Initiation this fall and late breaking news says that DAVID CASSIDY just may make that movie yet!

Would you believe that there are lots of your favorite guys up for the title role in the movie Godspell about the life of Jesus? Yes, that means DAVID CASSIDY and MICHAEL GRAY! WOW!
