

"I remember you telling me that you were trying to find a bakery that would make you a spice cake...but I never thought you would."

Then he laughingly shook my hand and said, "Congratulations!"

All too soon, it was time to be off, but first David had a kiss for the bride, and a hearty handshake for the groom! Then Billy and I took off, I threw my bouquet, and lo and behold...it landed in Susan's arms...so watch out, girls, there may be another wedding in my column soon!

By the way, my name is now Celia Staley, but if you can't remember, that's okay! I still answer to Bonaduce...it's a grand old name!

**THERE'S ALWAYS** time to get together for a chat in-between filming!

#### PARTRIDGE MAILBOX:

Dear Cecelia,

I guess you are asked this question all the time, but I've never seen the answer in your column, so I'm going to ask it too! Is Danny really different now that he's on "The Partridge Family?"

Peace,  
Marijo Crawley

Dear Maryjo,

You have to remember that Danny had done a whole string of commercials, movies, and TV shows before he hit "The Partridge Family," so he was used to show biz, even though he wasn't famous! No, the only real difference I've noticed is that he's more confident about himself, but that would come naturally, wouldn't it!

Dear Cecelia,

David Cassidy is the greatest guy in the world. I was on the set one day, and I was really afraid to talk to him, because I didn't think I'd know what to say! Well, David came up to me and started talking! I never had so much fun in my life! The Partridges are all fantastic people, and I really thought Dave Madden was a crack-up, he's really funny!

Love to the Partridges,  
Annie James

Dear Annie,

All the Partridges were very flattered by your letter! Thanks from all of them!

Dear Cecelia,

Did Susan Dey cut her hair? I heard that she got a shag, and she wears a wig on the show, so we won't know? Is this true?

Wondering,  
Marty Miller

Dear Marty,

No, Susan does not have a secret shag, although she does trim her hair very frequently.
