

DAVID'S OWN PERSONAL PHOTO ALBUM

PART SIX

Hi! Here I am back again with some more of my own personal photo album.

When David was 12, his neighbor and friend, actor Sal Mineo, gave him a set of drums—and to this day he loves playing them!

At 13, David decided to let his hair grow out. Here's our boy in one of those typical junior high school yearbook pictures.

When David was 14, and a student at Emerson Junior High, he went to his first prom. The lucky girl's name was Reba and this cute pic was snapped by David's mom.

At 17, David's hair was getting **really** long. It was at about this time that he decided to go to the Rexford School—a private school.

S'all for this ish. Meet David and his Own Personal Photo Album right back here again—in the October issue of 16, which goes on sale August 17.
