

FAVE'S BODY

LONELINESS disguised by a hint of a smile...lowered eyes so true feelings can't be seen...hiding behind his fist.

PRESSURES & problems—closed eyes to shut out the world—hands pressing worries from his head—face is serious.

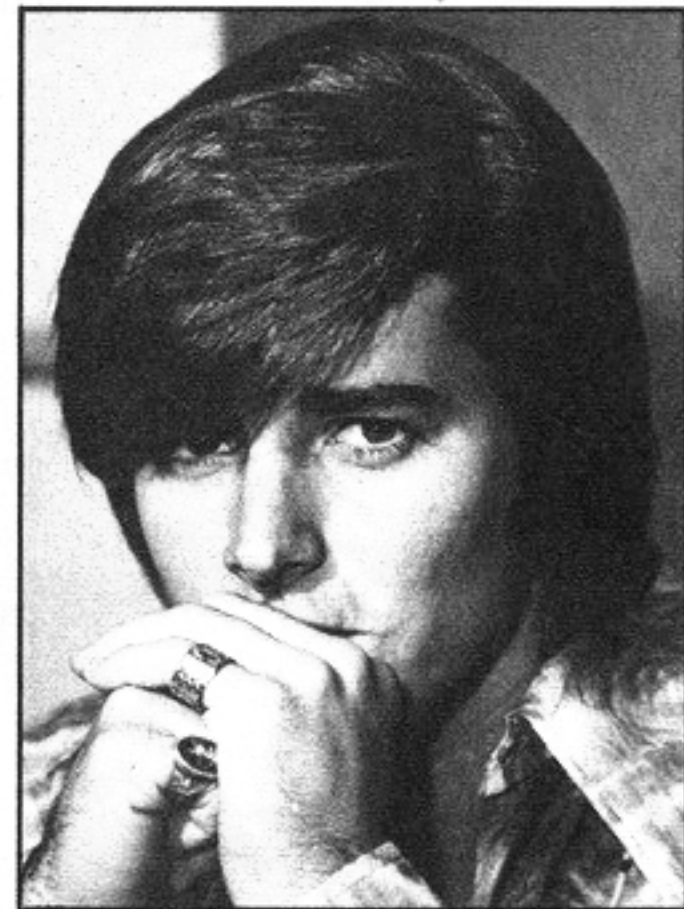

A WINK of the eye is a sure-fire method of getting a message across & who would resist Jackson 5 power?

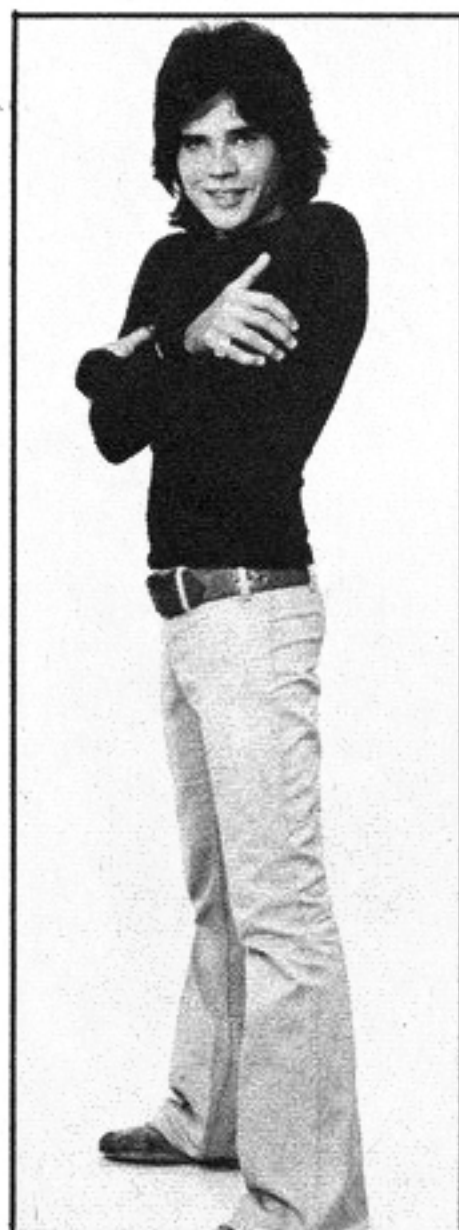

Did you know there's a language that speaks out without the use of any words? There is! And it's called Body Language. Now here's your chance to

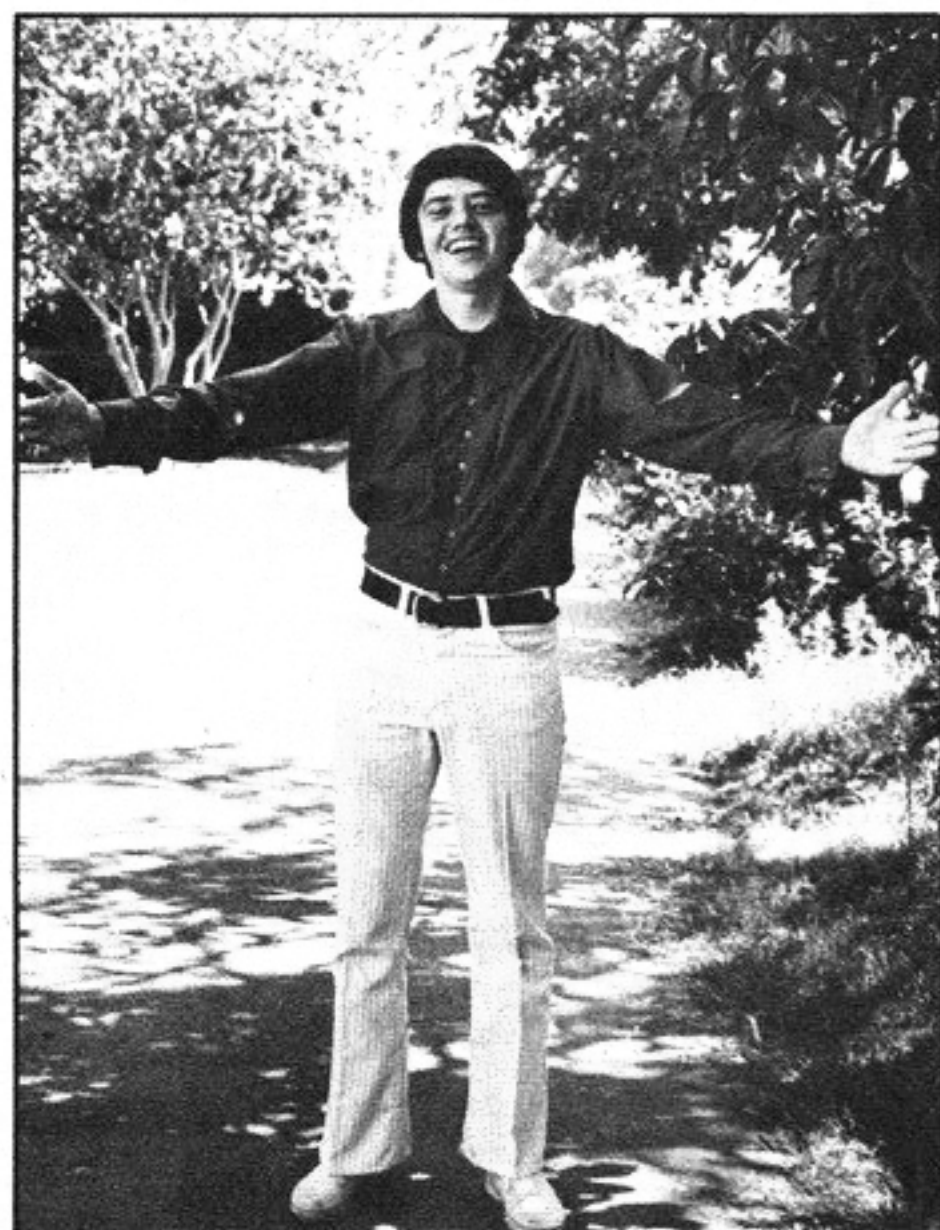

BASHFUL? Yes! And her beautiful smile can't hide the way she fidgets with her fingers when she's nervous.

BEING ANXIOUS about something can be shown by the upward slant of the eye-brows & tense hand position.

CUDDLE UP a little more is the signal! So don't delay—run into his arms!

WELCOME TO MY LIFE and be an important part of it! The open arms reaching out to you & the big smile both indicate that he wants you.
