

# LANGUAGE!

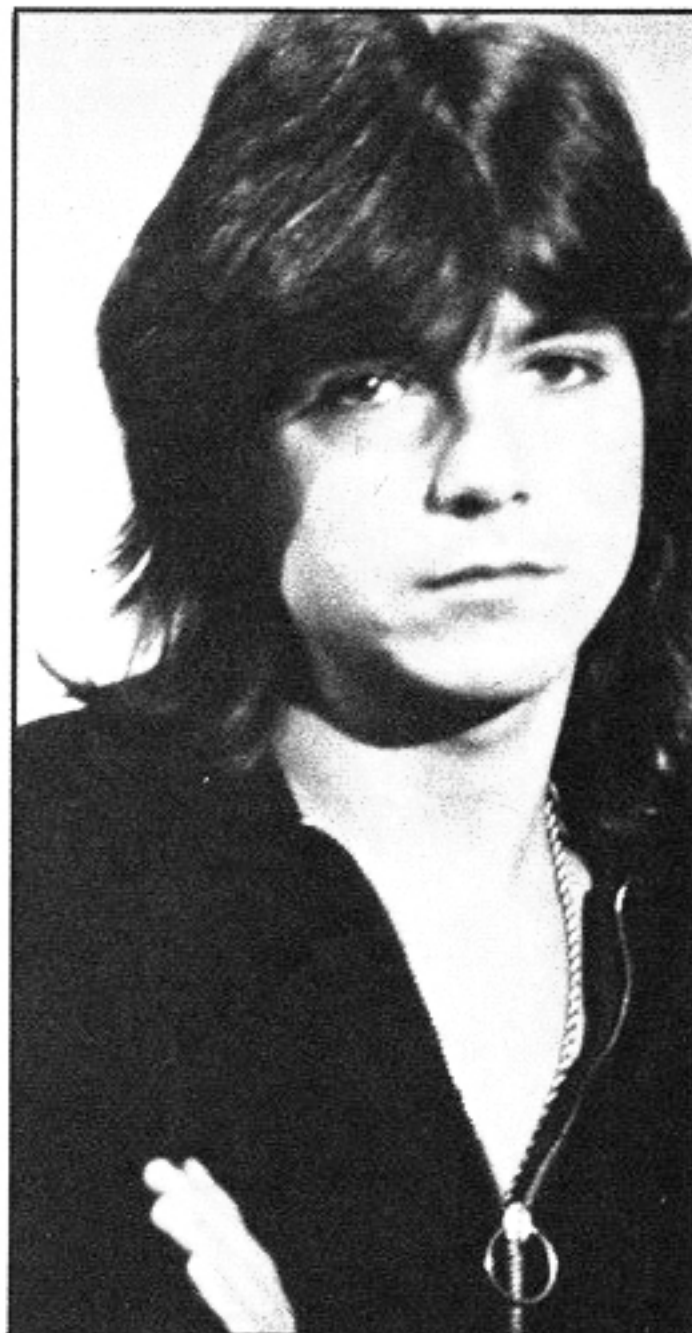

study some "heavenly bodies" of your faves—and understand their hidden messages without any spoken words!

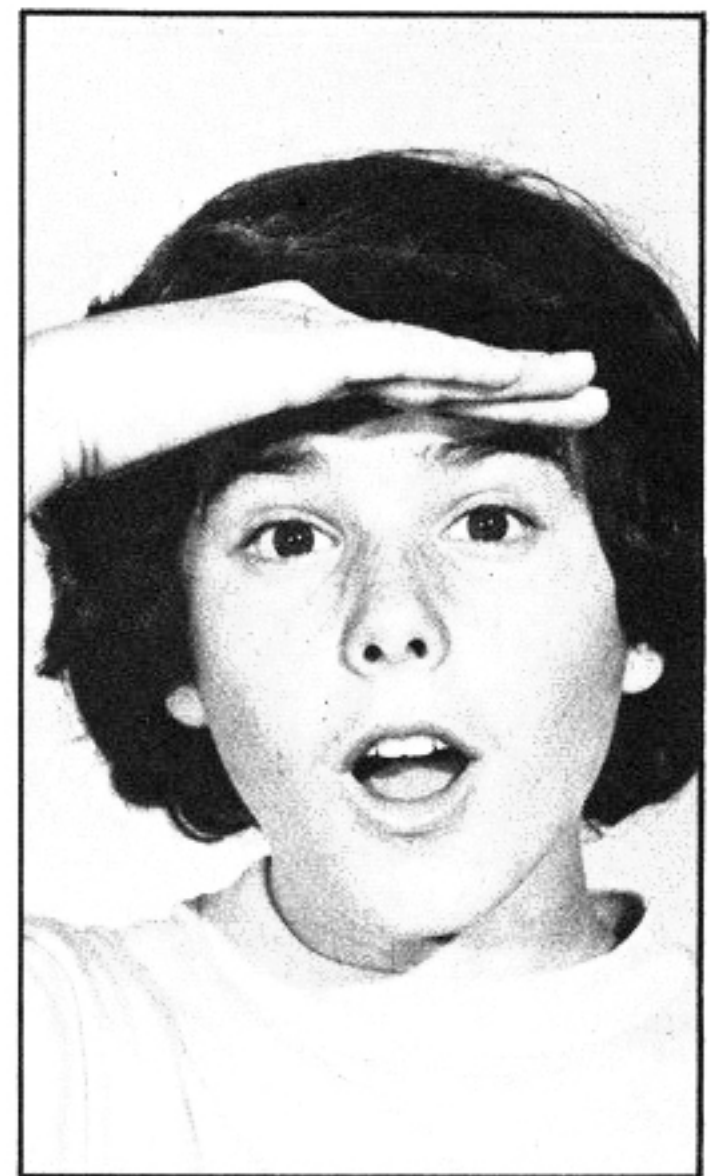

**BLOW A KISS** to all of you, Merrill's devoted fans. Nobody needs an interpreter for this kind of body language! This Osmond's friendly eyes and face leave no room for doubting his sincerity. Don't overlook this symbol for generosity, and affection and don't forget, LOVE!

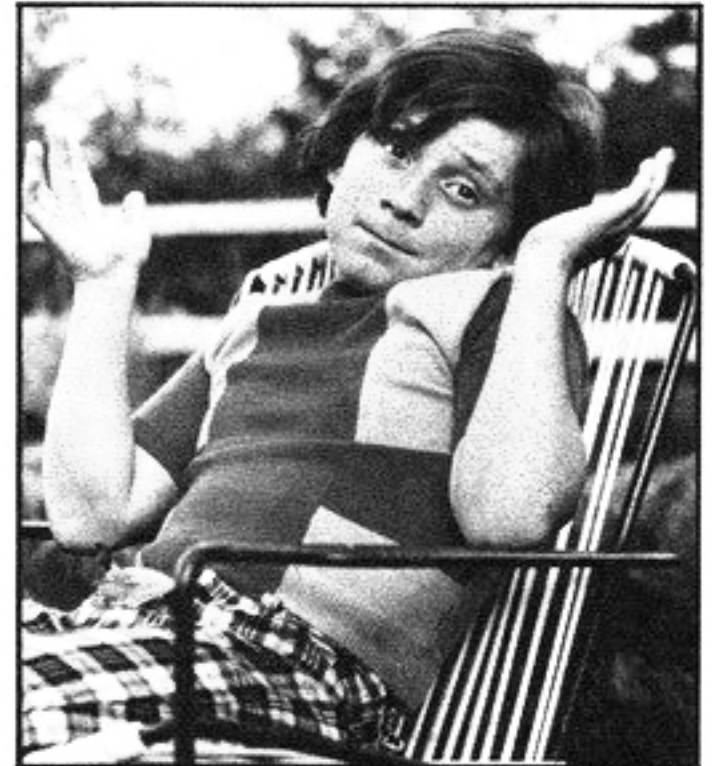

**DOUBLE TREAT.** A wink from a smiling face, and a coaxing finger that together say, "You're always welcome here with me. How about it?"

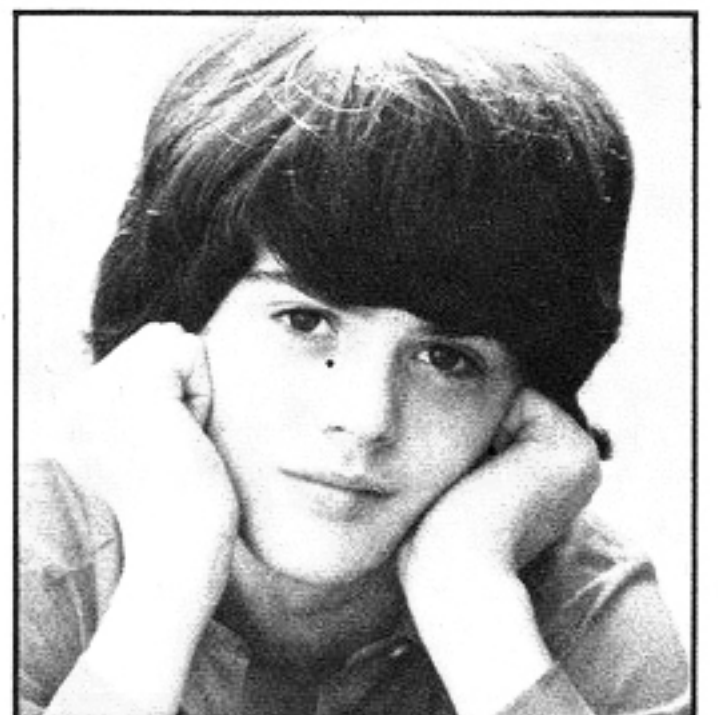

**I'M BEAT,** is probably what the slumped shoulders and tight mouth would say if they could. His eyes are ready to close up for the day.

**SEARCHING?** Looking into the far distant space with wide open eyes and anxious mouth to find something. Maybe it's something dear, like YOU.

**DON'T ASK ME,** I was just sitting here minding my own business. The open eyes and open hands say that he just can't be much of a help today!

**A SERIOUS MOMENT** in peace to sort out all the things that have happened today. Let your mind wonder for a few moments & rest on hands.
