

WHOLLYWOOD? RUMORS

Dear FaVE,

I know this sounds horrible but I just saw a copy of my girlfriend's FaVE. I want to know how I can subscribe to your magazine. I want to make sure I don't miss anymore than I have already!!

Mary Mohr
Ketchum, Idaho

Dear Mary,

We're tickled pink that you discovered FaVE! If you want a subscription, just turn to page 4 and you're on your way! Thanks for writing!

Dear FaVE,

Has Donny Osmond ever kissed a girl? I would like to know the truth!

Jackie Douchette
Smithtown, New York

Dear Jackie,

Certainly he's kissed a girl! What normal, healthy, and as gorgeous a guy as Donny hasn't? And this is the truth because we know one of the girls he's kissed—Marie Osmond!!

Dear FaVE,

I know this may seem silly to you but a couple of months ago I saw a movie with Jan-Michael Vincent playing a peace loving marine recruit. My girlfriend said he actually had his head shaved for the movie but I can't believe he really did! Which one of us is right? Thanks!

Terri Harrington
Dallas, Texas

Dear Terri,

I think this question has been asked and answered before but it is true that Jan-Michael had his head shaved in the movie "Tribes." But don't worry—that movie was made a little while back and Jan has his beautiful hair all grown back!

Dear FaVE,

If you answer this I would be the happiest girl in the world! My cousin told me she saw David Cassidy on television and his hair was blond! Why did he do it? Was it a wig?

Dee Boros
Arlington, Virginia

Dear Dee,

Your cousin must either be mistaken or else someone is playing a big, fat joke on you; David still has his shiny, brown hair—and he's never lived any part of his life as a blond!

Dear FaVE,

My girlfriend and I were on a bus on April 22 and we saw this guy who looked like David Cassidy in Montreal. Could you tell me if this is true? When is David coming back to Montreal—I enjoyed his concert very much.

One of David's Biggest Fans
Montreal, Quebec

Dear O.O.D.B.F.,

Sorry—you must have been wishing awfully hard but that wasn't

David! On April 22 he was performing in Memphis, Tennessee. At this time, it looks as if David's next Canadian appearance will be September 2nd at the Canadian National Exposition in Toronto.

Dear FaVE,

I heard Susan Dey is going to be in a movie—FANTASTIC! She's my favorite actress—I wish I was her! What's the name of the movie (if it's true)?

Rae Anne Carnon
Las Vegas, New Mexico

Dear Rae Anne,

Yes, Susan is in a movie and its title is "Skyjacked!" Susan is willing to share her secrets of being "FANTASTIC" and if you'll turn to page 27 and order Susan's "Boys, Beauty & Popularity" you'll soon be sharing those secrets!

Dear FaVE,

What's happened to Bobby Sherman? Since his show was cancelled I haven't seen him in anything at all! Please don't tell me he's quit acting! I, for one, will always be for him in whatever he does!

Laura Kosias
Hartford, Connecticut

Dear Laura,

Bobby hasn't quit acting at all! He was disappointed that "Getting Together" was cancelled but he's been keeping busy with recording and doing guest spots on other shows. Did you see him on the "Mod Squad" episode?
