FIND THE MUSICAL INSTRUMENTS FOR DAVID

David's late for a rehearsal with his concert group. He wants to leave this very minute, but first he's got to get all of the musical instruments he needs.

Can you help David find the six missing musical instruments? He's looking for a guitar, a harp, a trombone, a piano, drums, and a tuba. But he's got to hurry—the phone's been ringing like crazy because "Cookie," Kim, and Dave keep calling to remind him that everybody's waiting.

If you're one of the first twenty correct entries, you're in for a super-double-surprise prize! You'll win the latest Partridge Family album, and a personally autographed picture of David (an exclusive FaVE on-the-Partridge-set shot!)

Simply circle the six hidden musical instruments on the next page with a dark pen or bright color pencil, then fill out the coupon in the corner of the illustration, and send the entire page to:
