SUPER SPINNING WHEEL

Every time I see a picture of Michael Gray, it seems as though everything around me spins like a wheel! He can make my bad moods turn good, and my good moods turn sensational! Keep up the great coverage on Michael!

WAYNE IS WONDERFUL

I just read the June issue of FaVE and the article on what the Osmonds think of themselves is great. But I'm a little hurt that Wayne doesn't think he's as handsome as his other brothers. I think he's every bit as cute and I think he dances just as well as them too! All the Osmonds need each other, and all their fans need the Osmonds. We'd be lost without them!

THE NUMBER GAME

David Cassidy is number one, and anyone who doesn't believe it is number zero!

MY MR. PERFECT

I just heard David Cassidy's new song "How Can I Be Sure" and think it's great—just like he is!

LOVE THAT DONNY

I want to thank Donny Osmond for that lovely article "Why I'm Not Ashamed to Cry," featured in your June issue of FaVE. I really loved it and think that if more people weren't afraid to show their emotions like Donny, the world would be a better place in which to live. I think Donny's beautiful and I love his entire family!

Love,
Donna

LOVE IS BEAUTIFUL!

Love is wonderful when it's with the right person, and that's why I had to tell the whole world about it. He's Alan Osmond!

SUPER DUPER SHIRLEY

She's as graceful as a daffodil,
And every word she sings
Has a special kind of meaning,
That her sparkling, clear voice brings.

She's as beautiful as a setting sun,
As fresh as a new-born breeze,
As soft as colors on an autumn morning,
As warm as the tropic seas.

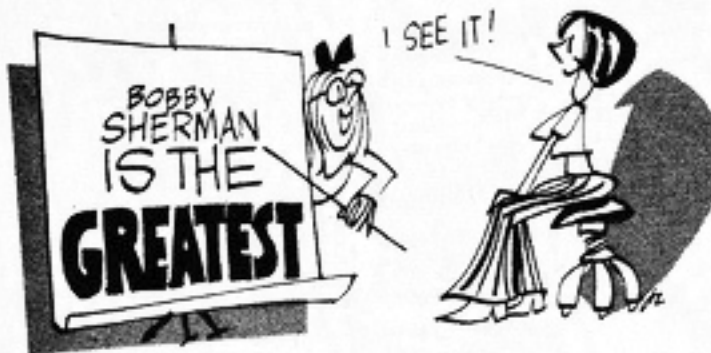

Oh so feminine, kind and sincere,
Now here's a perfect mom,
Wherever she travels from town to town,
Shirley's a hit with everyone!

BOBBY'S THE BEST!

I think that Bobby Sherman is the greatest. And if any of you out there disagree, go see an eye doctor!

SUPER GIFT

I've never written to anyone about anything, but this is too good to keep secret! The Osmond Love Gift is more than fantastic, and I was elated when I received mine in the mail! It is something I will treasure forever.

SUPER NICE GUY

Thanks to the D.J.'s at WRIT radio my fondest dream came true! They had Bobby Sherman stop by their station in Milwaukee and I was lucky enough to meet him there. He was so nice and easy to talk to, I felt as though I had known him all my life. I'm sure everyone else who's met Bobby knows what I'm talking about. Please print the picture I'm enclosing of the one day in my life I'll never forget!

COOKING WITH THE STARS!

I had a great idea the other day, and I'd like to share it with other FaVE readers! Every weekend I like to bake, so I decided to try something unique. Whenever I bake a cake, I decorate the top with frosting and little candies that spell out my fave's name! It's a great way to silently "honor" your faves, and it's a tasty treat too!

I dig your magazine and I also dig the Jackson Five, so please include more on those fine dudes in FaVE!
