PARTRIDGE CURLER BAG!

Today was my birthday and aside from the other great gifts I received, I got the Partridge Family's "Shopping Bag" album! The songs are the greatest and the shopping bag inside makes a terrific curler bag! Thank you, Partridges, you've made me very happy once again!

Love to all,
Carolann

MESSAGE TO WAYNE:

This letter is directed to Wayne Osmond regarding the article in the June issue about how the Osmonds feel about themselves. You said you didn't think you danced as well as your brothers, and you didn't feel you were as good looking as them. Well, all I have to say is I'm surprised at you! I've learned a lot from you and your family like trust, love, sincerity, and most of all, self confidence! So how can you turn around and say that you're not as good as your brothers? I love your whole family, but you are my absolute favorite, and it hurts me when you run yourself down. I'm sure your other fans agree.

I just want to thank you for all the quick service I got with my subscription to FaVE. I've read other magazines but found that they have lied about things, but FaVE is truthful all the way! I hope to subscribe to the other Laufer magazines real soon. Thanks again.

LOVES 'EM ALL

I think the girl who wrote to FaVE RaVES and said she put David Cassidy out of her mind should watch what she says. Doesn't she know that stars have feelings too? I like all stars equally!

lates in the world! I go bananas over them! They're very popular in California but I'm not sure if they have stores anywhere else. That would explain why you haven't heard of them before.

Dear Wayne,
Where or how do you usually meet the girls you go out with?
Debbie Gail
Honolulu, Hawaii

Dear Debbie,
Most of the girls I meet are ones who come up to me and say "Hi!" I love meeting people, especially girls! Sometimes I meet them through mutual friends or through their knowing someone else in my family. Someday, if I'm lucky, maybe I'll be meeting you!

Dear Wayne,
Would you go flying with me? I just started taking lessons.
Marie Staszko
West Farmington, Ohio

Dear Marie,
Isn't it out of this world? I love flying! I think every person should have the chance to experience what it's like to be alone in a plane high up in the clouds. If I ever have the chance to fly with you, it's a deal. Thanks for the invitation!

Dear Merrill,
What is your most favorite thing to do in your spare time at your home in Utah?
Tiny Pray
Escondido, California

Dear Tina,
Would you believe rest? No, actually, I really enjoy just doing whatever comes to mind, walking around and appreciating nature, or playing ball with my brothers. Usually, though, and I know this may sound silly—I end up sitting beneath a favorite tree and thinking of songs! All the rest of the time is eaten up by my daydreaming!

Dear Merrill,
Please tell me if you prefer long or short hair on your girl? I love you!
Kelly Kennedy
Sidney, British Columbia

Dear Kelly,
First tell me if your hair is short or long! Seriously, though, it really doesn't matter what the length is as long as it's shiny and clean. I think you're great, too!

Dear Jay,
Do you like girls with pierced ears?
Jay's Fan
Elyria, Ohio

Dear Fan,
I feel silly not knowing your name and answering your question. I understand that it's very popular with girls now to pierce their ears. If it makes them happy, then it makes me happy. I just hope they're very careful when they do it! Ouch!

Dear Jay,
If you flipped over a girl how would you get her interested in you?
Laura Arriola
Carson, California

Dear Laura,
I would do what every guy does when he meets a very special girl! I'd be friendly and talk to her and learn what we have in common as far as dislikes and likes go. And I'd also try to talk a little louder so she couldn't hear my knees shaking from nervousness!

Dear Mr. Osmond,
I would like to know what you think about when you're beating your drums?
Bernadette Tressa
Bloomfield, New Jersey

Dear Bernadette,
First of all, please think of me as Jay—I'd really appreciate it! When I'm playing my drums, there's no room inside my head for anything else except the music, the beat and sensation of my hitting the drums, and the fact that I'm having a fantastic time!

Dear Donny,
I'm so confused because people say you live everywhere! Where do you really live?
Anita Williamson
Moristown, Tenn.

Dear Anita,
I guess it is pretty confusing! Actually, we have two homes. One is in California and the other is our family ranch in Ogden, Utah. Thanks for writing!
