

# DEAR CAROL

Jay Osmond

**Q. I heard that there is a book out about Three Dog Night. Would you please tell me the name of it and who wrote it?** J.O.—Wayside, N.J.

A. The book is called "Three Dog Night And Me" and it's written by Joel Cohen, who used to be their road manager. I read it and thought I enjoyed it. I think you'll find out a lot about 3DN that you never knew before in it. It's published by Open Horizons, P.O. Box 1071, Pasadena, Calif. 91102 and sells for \$1.95.

**Q. I saw the Osmonds at Hampton Road Coliseum in Hampton, Va. They had a group traveling with them called The Heywoods. In another magazine it said they traveled with the Four Leaves. And I've also heard they travel with the Sylvers. Could you straighten me out?** K.W.—Suffolk, Va.

A. It is a bit confusing isn't it? But they usually travel with the Heywoods. The Four Leaves are a Japanese group they discovered in Japan and are trying to help get known in America. The Sylvers are another group they discovered and are helping get started too. Does that help any?

**Q. Is it true that Carole King is married and just had a baby? If so, who is she married to?** P.R.—Boston, Mass.

A. Yes, Carole is married to bass player Charles Larkey and they have a baby daughter, Molly.

**Q. My cousin says she bets that Donny Osmond never goes to church or reads a Bible. Will you please tell me if my cousin is right?** V.M.—LaGrange, Ga.

A. Your cousin is very wrong. Donny is a devout Mormon and attends services every Sunday.

**Q. My girlfriend told me that Sonny Bono is a lot older than Cher. Sonny's so cute and young looking he couldn't be much older, could he?** V.L.—N.Y., N.Y.

A. Sonny will be flattered—the truth is he is eleven years older than Cher. He was born Feb. 16, 1935 and she was born May 20, 1946.

**Q. When are the birthdays of Mike Allsup, Jimmy Greenspoon, Joe Schermie and Floyd Sneed of Three Dog Night?** J.F.—Fairborn, Ohio

A. Mike was born on March 8, Jimmy on February 7, Joe on February 12 and Floyd on November 28.

**Q. Everyone says that most stars are nice on TV but kind of stuck up and snooty in person. Is this true of David Cassidy?** S.R.—Belleville, Wis.

A. Stars are people just like you and me and you'd be surprised how many of them are really nice. David is one of the nicest!

**Q. Is it true that Don McLean, who sings "American Pie," is married?** N.A.—Jones Mill, Ark.

A. Yes, he is married.

**Q. I heard that Bobby Sherman is dead. Please tell me if it's true. It's a matter of my life or death!** M.L.C.—Bergenfield, N.J.

A. It's a matter of life—because Bobby is still very much alive.

**Q. Is David Cassidy right or left handed?** J.D.—Baltimore, Md.

A. David is right handed.

**Q. Can you tell me what's happening with Richard Chamberlain, who used to star on "Dr. Kildare"? I can't find anything on him anywhere.** S.W.—Canada

A. Funny you should ask—I just saw Richard a few weeks ago starring in play here in Hollywood. He was doing "Richard II" at the Ahmanson Theater here. He's very much into legitimate theater now. Did you see him as Hamlet on TV?

**Q. What is the last name of Sonny and Cher?** M.M.—Miami, Fl.

A. They are Mr. and Mrs. Bono.

**Q. I was wondering if the inside cover picture on the "Here Comes Bobby" album is a picture of Bobby's new house? Is it?** J.K.—Bunola, Pa.

A. Yes, it is. What sharp eyes you have!
