

Dear FLIP,

Remember when the Osmonds came to Hawaii and gave us a concert? Well, I just want to say that I think they were really great, and I bet everyone else from Hawaii thinks the same! Cynthia Inouye, Honolulu, Hawaii

We bet you do, too, Cynthia! Flip to page 57 of this issue to read all about the Osmonds' fabulous Hawaiian holiday!

Dear FLIP,

When I received a songbook from the Osmonds, I jumped with joy! I still can't believe that they really personally autographed my songbook. Thanks to Alan, Wayne, Merrill, Jay and Donny . . . and thank you, FLIP, for running such an outasite contest! Debby Lee, Houston, Texas

Dear FLIP,

I read a lot of magazines, and I used to think they were equally good. But I think FLIP is really improving. I couldn't believe all the great pictures of Donny in the June issue! But yet you give everyone a chance. Like you have plenty of room for Osmonds, David, Ben, Roger, J-5 and 3-Dog Night. Plus now I have about 50 pen pals from your Swap Shop. Thanks for being the best ever! Osmond Luver, New York

Dear FLIP,

Thank you for the pictures on David Cassidy's concert at Madison Square Garden. I went to the concert with my girlfriend, and we both thought he was fantastic. The pictures that I took didn't come out, so when I saw the pictures in the July issue of FLIP, I was really happy. I will never forget that wonderful day when I saw David in concert. Thanks again for the great pictures on the concert. David is the greatest! Gayle Allen, Maspeth, N.Y.

Dear FLIP,

A little girl I babysit for buys your magazine. I went over one day and she was almost in tears. I asked her what was wrong, and she said, "That David Cassidy let his hair grow out so long!" I almost was in tears that she cared that much for him. David Cassidy, won't you please trim your hair to make one sad little girl happy? Sadness, Charleston, Tenn.

Dear FLIP,

I hope Cory Wells reads this 'cause I'd just like to thank him for taking a few minutes off from his busy schedule to drop me his short but sweet note, which I really appreciate. Before today, my friends kept teasing me, saying that a secretary probably handles fan mail, and my faves would never bat

an eyelid over my letter. But that post card from Cory just proves that you can't believe all that you hear! Thanks again, Cory. Terry, Trinidad, W.I.

Dear FLIP,

Keep all those pictures and articles on Bobby Sherman coming! No matter what anyone says, Bobby will be around for a long time! Even parents and grandparents enjoy him! He cares about everyone and everything. He's one of the hardest-working guys around, and he does it for people like me, who respect and admire him deeply. Don't push him out because of David Cassidy or the Osmonds. There's room for everyone! Long live beautiful Bobby! Mindi Mormolstein, Palatine, Ill.

Dear FLIP,

In Carol Deck's Hollywood column in your June issue, Carol states that Jim and Jane Brodin welcomed their first son January 7, 1972. Well, they welcomed their second son, because they already have a son, namely Josh. A.K., Albany, Ind.

You're right—we goofed!

Dear FLIP,

Bread is . . .
Jimmy Griffin, who's a doll.
David Gates, who's sexy.
Larry Knechtel, who's heavenly.
Mike Botts, who's dynamite!
J.D.L.M., Long Island City, N.Y.

Dear FLIP,

Thank you so much for the picture of David Jones' family in the June issue of FLIP. It is just what I've been waiting for. Thank you again! R. Brown, Beaver Falls, Pa.

Dear FLIP,

My name appeared in Swap Shop, and I got a great many fine letters. I was very, very glad, and my friends were, too! Really, thank you very much! Atsuko Narita, Nagoya, Japan

Dear FLIP,

I would like to take just one minute of your time to thank you for having Swap Shop, because without it I would never have found the most beautiful person in the world—my penpal, Linda Durst. Thanks once again. Janet S., Bronx, N.Y.

Dear FLIP,

I was changing schools, and no one was very friendly until I brought a FLIP mag to school. All the girls in the class gathered around me, and we started talking about Donny Osmond and Butch Patrick. I introduced your mag to them, and now they buy it all the time—and we're all friends! Carleen Hancock, Edmonton, Alberta

Dear FLIP,

I just adore Donny Osmond. But all my friends say, "Give up, Linda, you aren't able to get him, and you can't love him, 'cause you don't even know him! Oh, I want to meet him so bad I could die! Donny, please come back to Atlanta, Georgia before I move to Gainesville, Georgia! Please! Linda Daracott, Marietta, Ga.

Dear FLIP,

I think that your magazine is the greatest. I love all of the articles and pictures on the Osmonds. Anyone who doesn't like the Osmonds is crazy! I just got out of the hospital from an operation, and your magazines really cheered me up. I haven't got to attend any of the Osmonds' concerts yet, but I'm still waiting. Please keep putting more on the Osmonds, okay? And I'll keep getting better! Cynthia Dianne Crowley, College Park, Ga.

Dear FLIP,

What happened to Roger Davis? The last issue of your magazine I bought didn't have one thing on him. He is doing an excellent job on the show, and I would appreciate it if you would run some pictures and articles on him in your magazine. Amy, Tarboro, N.C.

Hope you like the exclusive interview with Roger in this issue!

Dear FLIP,

Thanks a million for considering Bobby Sherman worthwhile enough to have a color pin-up of him. And you were the only magazine that had pictures of him on Cade's County. Please continue to have him in your magazine. Frannie, Chicago, Ill.

Dear FLIP,

This is to thank you for printing my ad in the December Swap Shop. Also my thanks to all who have written. Sorry I haven't written to all, but I've received over 18,000 letters and they're still coming in. I'm happy to say I now have 90 regular pen pals, all Osmond and Bobby Sherman fans. Thanks again. Doreen Huro, Chicago, Ill.

Dear FLIP,

Howdy! This is a thank-you letter. I'm writing it to say thank you for writing so many articles on 3-Dog Night. I think they're the best group I've ever heard, and I think Cory Wells is adorable. I've got all their albums, and possibly every article ever written on them. I've only seen them in concert once, two years ago, but I'll never forget it, even though it started an hour and a half late, but it was snowing, and I think everyone forgave them! A.F., Agawam, Mass.
