

EDITOR'S INSIDE STORY!

BY SHARON LEE

Hi! Lots of things have happened this month! First of all, Michael Gray went to read for a role on "Bonanza" and cut his hair! The top left pic is before, the right is after! Which do you prefer?

Trouble on the Partridge set! Poor David came down with the flu and held up filming no work while he stayed in bed!

Still, even without him here, visiting the set is fun!

Rumors are going around that Susan Dey may soon marry ex-partridge script editor, Dale McRaven! But you know how rumors are! If it happens we'll let you know first!

What do the Osmonds like to do best on vacations? Go home to Utah, take off their shoes and relax — "Down by the Lazy River"!

The Bradleys' first live singing show was so great. Don't miss it in your town! See you next month!
