

Dear Susan,

Merrill is 19 years old and his favorite color is blue...for today. Tomorrow it could be orange. Merrill says it depends on his mood.

BEST BIRTHDAY EVER

I just want to say that I got my perfect birthday gift! I got to see the Osmond Brothers in Las Vegas! I was the happiest girl ever and they were just great. Please print more on Merrill. I really like him!

MAKE MINE DAVID

I love all Hollywood people and I think they're lucky to be known and cared about by their fans. One Hollywood male I really think is an extra-special-treasure, is David Cassidy. I'm happy that I can honestly say that as far as I can see, David is the sweetest and most loveable thing this side of heaven.

I'M FOR IT TOO!

I'm writing this to say that I agree wholeheartedly with Carol Ascione, who wrote to you in the May issue and said she wishes you would print a poster of Marie and Jimmy Osmond. I love all the Osmonds and wish you would print a lot more on Marie.

SOMETHING ELSE

Wow!!! I thought your first Osmond Super Annual was great, but the second one was something else! One thing that made it better were all the pin-ups and those sure added to my Osmond pin-up collection. Please, please have a 3rd Osmond Super Annual. I hope that you'll put a pin-up of Marie in the mag because that way I'll have a picture of all of them. Thanks for listening and caring.

STILL ON TOP

Even though the Osmonds are hogging all the magazines, David Cassidy is still on top, as far as I'm concerned. I like the Osmonds and I think they're all great but not greater than the GREAT David Cassidy.
