PARTRIDGE *fan club* **NEWS**

by cecelia bonaduce • president

EXCLUSIVE

Each month read all the fan club news about
the Partridge Family right here in Cecelia Bonaduce's column!

"I'm so tired, I can hardly move," Shirley said, as she lowered herself into a make-up room chair.

It was seven o'clock in the morning, and Shirley was just getting ready to begin the day's shooting. Why was she so tired, if the day hadn't even started?

"I had a very busy evening last night," Shirley yawned. "I got home from the studio, and had to drive my son, Shaun, to his karate lesson. Well, I took him over, and as soon as I got home, there was a phone call... Shaun had broken his hand!"

Everyone in the room grimaced, as they conjured up visions of the breaking bones.

Shirley continued, "It seems that wearing jewelry while learning karate is dangerous, and Shaun forgot to take his ring off, and the next thing he knew, he had a broken hand. Anyway, I rushed over to pick him up, and I was so upset that I found it hard to drive! The doctor said that it was nothing serious, and that Shaun would be back at karate school in no time. I was hoping Shaun might consider a less dangerous sport, but he's got his heart set on going back as soon as he can! He's braver than I am!"

SHAUN CASSIDY can really take care of himself—he knows karate! BANG!

Danny had arrived at the make-up room by now, and listened attentively. When Shirley had finished, he added a few thoughts of his own.

"Wow, that's too bad! I just started karate lessons, too, and one of the first rules we learned was to take off all jewelry. Sometimes I'd forget, but I won't anymore!"

Shirley looked surprised, and smiled, "I didn't know you took karate lessons, Danny! When did you start?"

"Just a few weeks ago," Danny answers proudly. "A new karate school opened within walking distance, and I asked my

mom if I could join. I really love it, and even when I don't have lessons, I go down a lot just to watch. It's great!"

Shirley's make-up was finished, and she started out the door, but turned to Danny and said,

"Enjoy your lessons, Danny, but please...for your mother's sake, BE CAREFUL!"

Danny does keep himself busy! Not only does he take karate lessons, but he visits his horse every day too! Recently, Danny had added even more to his already busy days...he's practicing a couple songs with his guitar teacher, Phil Chapnick, so he'll be able to SING on his next personal appearances!

Although you may be surprised, and delighted that Danny will be singing on some of his tours, you wouldn't believe how surprised Danny's parents were! Phil was teaching Danny the final chords to "Honky Tonk Woman" and then told him to play it. Danny, concentrating on the chords, started to sing along as he strummed! Phil thought he was pretty good, and asked Mr. and Mrs. Bonaduce if they thought Danny should sing on his tours.

"If he's good, I think it would be great," was the answer, and now Danny spends some time every day practicing "Honky Tonk Woman," and James Taylor's "Fire and Rain"! Keep your eyes open for Danny's next appearance near you.... you'll be surprised!

Danny is very nervous about the new
