

named Maggie, and two 'cuddly little rabbits!

**Q.** What are some of the songs that Mac Davis has written? He's a man of many talents.

**A.** He sure is, and it would take forever to list all of the songs he's composed! But for a start, he's done "Memories," "In the Ghetto," and "Don't Cry Daddy," by Elvis Presley; "Something's Burning," "Watching Scotty Grow," and "Friend, Lover, Woman, Wife." The list goes on and on!

**Q.** What does each Osmond like most to receive on their birthdays? Also, I went to an Osmond concert and saw two Japanese boys helping the group with their equipment. Were they Toshi and Ono, mentioned in a previous **TIGER BEAT**?

**A.** Yes, that was Toshi and Ono you saw at the Osmond concert! As far as the boys' favorite birthday gifts go, they really have no preferences, but we know for a fact that Donny is still a game fanatic, Jay loves anything concerning sports, Merrill is very clothes-conscious, Wayne favors sweaters, and Alan likes records!

**Q.** I simply love, love, love Larry McNeely of the Glen Campbell Show! I was told he's married and has a daughter. Please tell me a little about her.

**A.** Larry's beautiful little girl, Karolyn Alicia, was born December 24, 1970, and is Larry's pride and joy! The McNeely family makes their home in Hollywood, not too far from where the Glen Campbell Show is filmed! Larry can't wait till Karolyn's a little older so that she can start playing with Glen's children!

LARRY

SUSAN

**Q.** How tall is Susan Dey and where was she born? I heard she was from Pekin, Illinois, but my girlfriend claims she was born in Bakersfield, California. I never even heard of such a place! Does Bakersfield really exist?

**A.** There will be lots of homeless California residents if they find that Bakersfield is suddenly non-existent! There really IS such a place—in fact, that's where the manager of the groovy Hager twins' makes his home! But Susan hails from Pekin, Illinois, just like you had thought! She stands a tall and graceful 5'7".

**Q.** Do the Osmonds own any horses or cows? My friend told me that they have some in Utah.

**A.** Your friend is right! The Osmond family has quite a few horses and cattle, which they keep on their ranch in Utah.

**Q.** How many members are there in Steppenwolf?

**A.** There were five members in Steppenwolf, but as of February, the group disbanded! All the guys are recording on their own now so keep your ears open for them! And if you're a fan of John Kay's, be sure to check out his first solo album, "Forgotten Songs of Unsung Heroes."

**Q.** Is it true that Don McLean wrote his song, "Vincent," about the painter Vincent Van Gogh? Please tell me where I can write to him. I think he's a musical genius!

**A.** We think Don is fabulous, too, and each of his songs gets better and better! "Vincent" was indeed written about Vincent Van Gogh; you can even hear Don make reference to the artist's hands, palette and paint. Drop Don a line in care of United Artists' Records, 6920 W. Sunset, Hollywood, Ca. He'd love to hear from you!

**Q.** The Osmonds are my favorite group and family (they're ideal!) and since Donny and Marie are both 14 years old, I was wondering if they're twins? Are there any other twins in the Osmond family?

**A.** First of all, there are no twins in the Osmond family—not even Donny and Marie! Donny is 14 years old and celebrates his birthday December 9 (1957), and Marie was born October 13, 1959, which makes her almost 13. Hope that straightens out the confusion.

**Q.** I saw a picture of Todd Crespi in **TIGER BEAT** and really thought he was handsome. Can you tell me if he's married?

**A.** Todd is happily single!

TODD

DAVID

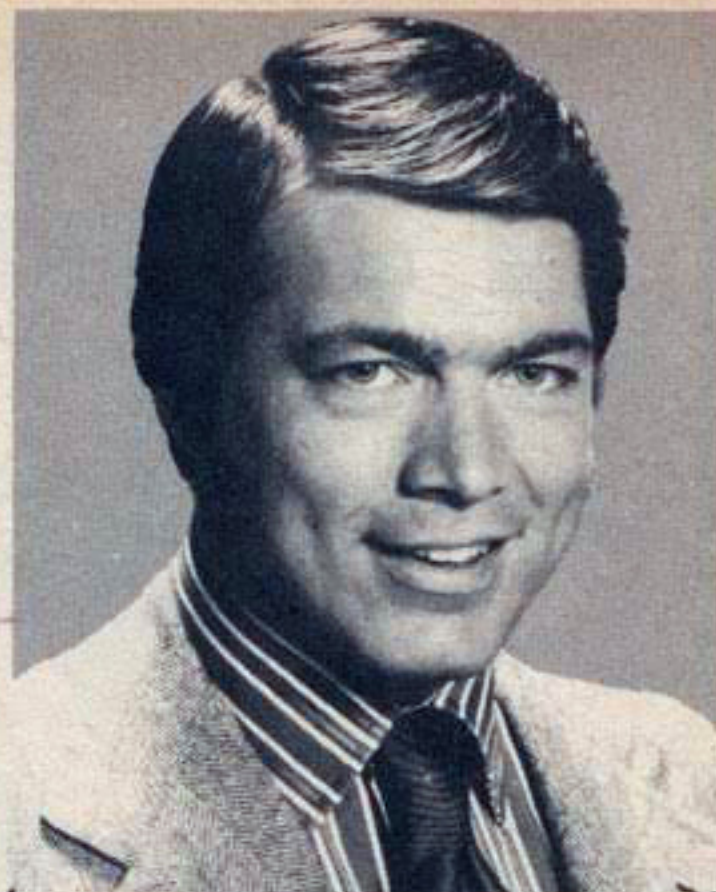

**Q.** We saw a picture of David Cassidy with a girl he brought back to the States with him from Europe. Please tell us a little something about her. Is it anything serious?

**A.** Hold everything—David did NOT bring any girls back with him from Europe to the United States! We don't know what picture you saw, but check again—the only girls who "followed" David from Europe to America were the airline stewardesses!
