ANYONE LOOKING for David can find him sitting quietly on the PF stairs—it's his favorite quiet spot.

A RELAXED DAVID spends a brief break reading. His schedule's busier than ever but he loves it that way!

SUSAN AND DAVID become better friends as each year passes by. They've sat or stood on these same stairs & shared many talks, laughs, secrets & good times together!

THE GOOD OLD faithful food truck arrives at 1:00 and honks its horn to announce its arrival like it has for the past two years. It's a good time for Partridge watching because they all come out of their trailers for snacks.
