How did you do? Well here are Scott's comments.

OVER 30: Wow! You sure are trendy!
21-30: Yeah, you're really on the ball. Maybe you've got a couple of things to pick up, but you're still pretty trendy!

10-20: You're nearly there; nearly a very trendy lady. You've just got to keep reading Music Star and you'll soon be up there with the groovers. That's for sure!

Under 10: Oh well, don't worry about it. You're about the same standard as I was when I started out!
