

God Gave Rock and Roll To You

ARGENT

God gave rock and roll to you
Gave rock and roll to you
Put it in the soul of everyone
God gave rock and roll to you
Gave rock and roll to you
Save rock and roll for everyone.

Love your friends and love your neighbours
Love your life and love your labour
No it's never too late to change your mind
Don't step on snails don't climb in trees
Love Cliff Richard but please don't tease
It's never too late to change your mind
Ah . . .

God gave rock and roll to you
Gave rock and roll to you
Put it in the soul of everyone
God gave rock and roll to you
Gave rock and roll to you
Save rock and roll for everyone.

If you wanna be a singer or play guitar
Man you gotta sweat or you won't get far
Cause it's never too late to work nine till five
And if you're young then you'll never be old
Music can make your dreams unfold
How good it feels to be alive
Ah . . .

God gave rock and roll to you
Gave rock and roll to you
Put it in the soul of everyone
God gave rock and roll to you
Gave rock and roll to you
Save rock and roll for everyone.

Walking In The Rain

DAVID CASSIDY

I want him and I need him,
And some day some way,
Woh-oh-oh-oh I'll meet him,
He'll be kind of shy,
But real good lookin' too,
And I'll be certain he's my guy
By the things he'll like to do,
Like walking in the rain,
And wishing on the stars above,
And being so in love.

When he's near me,
I'll kiss him,
And when he leaves me,
Woh-oh-oh-oh I'll miss him,
Though sometimes we'll fight,
I won't really care,
I know he's gonna be all right,
'Cause we've got so much we share,
Like walking in the rain,
And wishing on the stars above,
And being so in love.

Johnny he'll never do,
Billy it isn't him too,
They would never, no they'd never, never, ever love,
Walking in the rain
And wishing on the stars above,
And being so in love.
