

# FUN 'N GAMES

## Deceptive Dancers

Dancin' and prancin' around on stage is part of what gives a performance *pizazz!* Much as you love to *hear* your fav sing—the thrill of *seeing* him sing *and* kick his heels up a bit is unbeatable. (After all, you wouldn't go to concerts

if all you wanted was to hear a song—you could just as easily put a record on). Seeing your favs in boogie-in', shimmy-in' ACTION is what this *Fun 'N Games* is all about! —and it's a hard-ie so sharpen your senses, 16-ers!

With just these flyin' feet in front of you and a few hip hints—try and tell just *who's* doin' the dancin' on this page. Study the pix and hints very carefully—when you think you know which pair of charmingly choreographed legs belongs to *which* fantastic fav, write *his or their* name(s) in the space provided. Then, bugaloo on over to page 66 and see how well you fared!
