"NOT FAIR"—I AGREE!

I couldn't agree more with the girl from Miami, Fla. who said the Osmonds are always doing everything for their California fans. (Not Fair—in the Dec. issue.) It's the same way in Minnesota. I love to read about the Osmonds no matter where they are, but it's always California. We know the Osmonds love us, but not as much as their California fans. We love you Osmonds! Please don't forget us in Minnesota and all the other states!

DONNY OH DONNY!

When at night I'm in my bed,
Donny oh Donny
runs through my head. For
Donny is love,
Donny is joy, Donny oh Donny
you're my boy.

CRAZY ABOUT DONNY

Get a load of this! My mom is crazy about Donny Osmond! Every-time Tiger Beat Spectacular comes in the mail, she makes a cup of coffee and sits down and reads it from cover to cover. She knows more about Donny than I do! I think it's great cause we really get some conversations going.

STILL THE WINNER

No one can tell me differently. David Cassidy is still the winner! Donny and the Osmonds can't beat him and neither can Michael Gray, 'cause they just don't have what it takes to be a superstar!

Dear Liz,

I hope you will put a color pin-up of Wayne Osmond without his shirt on in the magazine. We think all the Osmonds are sexy guys, but we've never seen Wayne shirtless. And please tell the Osmonds that they're welcome back to Pittsburgh, Pa. anytime. Their last two concerts were just...well, they were so good that it's too hard to describe in words. There was never so much love and togetherness here in Pittsburgh. They're beautiful!!!

SOME PEOPLE MAKE ME MAD

Here is something for Lynne Mattingly to read. The letter you wrote in Spec-Special made me very mad. I like David C. and Michael G. very much. I think they're both neat guys. Besides, how do you know if all the things in the San Francisco Pop Mag are true? I think you're unfair! Someday I hope to meet them both and I know that they'll have fans forever.

David & Michael lover,

WHO CAN BEAT 'EM?

The Osmonds have been on top for so long now that it's remarkable! They shot David Cassidy down! Makes one wonder if anyone can top the Osmonds. So I ask you, who can beat 'em?

Dear Liz,

My girlfriend says that Donny Osmond is 5'6" tall. I say he's 5'7". Who's right?

Sharon Kelly

Dear Sharon,
You are.

Dear Liz,

My girlfriend has a great book called, "Boys tell the Girls," and she said she ordered it through TBS. I can't find an order blank in any of the issues I have at home. What do I do? Help!

Carrie Brown
New Haven, Conn.

Dear Carrie,

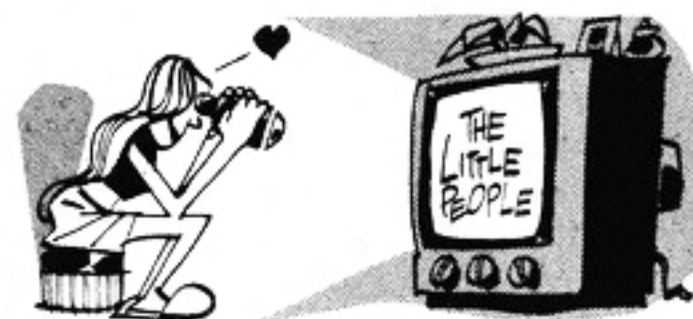

If you'll turn to page 41 you can find out how this great new book can be yours!

HE'S STILL MY FAVE!

David Cassidy will stay in my heart forever. I don't care what anyone says about him 'cause to me he is a wonderful person and I love him for the way he is, not for the way I'd like him to be. I have to admit that he's not as popular as he used to be, but no one can stay on the top forever. We have to move over and let the new ones have a turn. David, I love you—and you'll always be my top fave!

HE WAS FANTASTIC!!

I saw Donny Osmond on The Lucy Show and was he ever Fantastic! I'm pretty sure that the millions of other girls watching thought so too! I sure hope that everyone who loves him as much as I do was able to see him. I thank Mr. & Mrs. Osmond for bringing up five loveable, talented guys in this world of our's, especially Donny. Please say "Hi" to all of them for me and perhaps one day I'll be able to say "Hi" to them personally.

Love Ya,

Dear Liz,

Your magazine is just great! You want to know how to make it greater? Print articles on the fabulous Heywoods! I met them during the summer when I was staying at the same hotel they and the Osmonds were at. I was also lucky to meet Marie and Mr. & Mrs. Osmond. I truly love the great Heywoods and their single, "Special Someone," is terrific! Please print more on the Heywoods.
